

Faith Middle School
6th Grade – Supply List
2009-2010

All Faith 6th graders will need the following materials for the first day of school on August 7, 2009. Materials can be purchased on post or locally at any of the department stores. **All students are issued an agenda on the first day of school to record class assignments. If the student loses the agenda, they must purchase a new one from the office.**

This list represents essential material, but it is not complete. Individual teachers will require special items for their class. Please mark all supplies with student's name and replenish supplies as needed during the school year. **Faith 6th graders do not need a trapper keeper. Book bags should not have wheels as the lockers are not big enough for wheeled book bags. Combination locks must be used for hall lockers and PE lockers.**

We look forward to seeing you in August.
