

The essential school supplies needed specifically for AVID are:

- **3 ring, 3 inch binder** “good quality” You will open and shut your binder frequently. A cheap binder will most likely break within the first quarter and have to be replaced. Zip-Up Binders work great and are accepted.
- **Six to eight colored tab subject dividers with tabs** to separate each academic class, including AVID.
- **Zipper pouch** to store supplies, 3-hole punched so it stays organized and held in the binder.
- **Two or more pencils**
- **Two or more pens** – blue or black ink
- **1 ream of white printer paper to be turned into AVID.** The Cornell note paper is copied onto this and always available for you to pick up and use. Cornell notes are essential in AVID.
- **Highlighter**
- **Hole reinforcements** – the little round stickers that go around the holes on your papers to repair them when they rip and tear.
