Star Sheet Q2 #4
Due Friday December 5th

Chapters 3 in Science Textbook – **Chapter 3 Test Tuesday December 9th**
Bacteria

Read Chapter 3 –and answer 1-5 on this sheet using complete sentences. # 6 should be done on the back of this paper.

- 1. What would happen if nitrogen-fixing bacteria could no longer live on the roots of some plants?**
- 2. Why are bacteria capable of surviving in almost all environments of the world?**
- 3. What is the shape of the bacteria pneumococcus? How can you know by the name?**
- 4. What are 3 ways that bacteria are used in food production and industry?**
- 5. Explain how some bacteria cause disease.**

**** # 6-On the back of this sheet, describe the nitrogen-fixing process in your own words. Number steps of the process. You should have more than 4 steps.**
