Order of Events (page 2)

9:00 -10:30 Individual Prelims & “Doubles” Prelims

Note: These two events can be done in ANY table in the main Competition area.
Stackers may compete only once in each of these two events.

Individual Prelims: “On Deck” Tables. Each Competition Table has a corresponding On Deck Table where all Stackers start. Lines form behind the waiting line at each On Deck Table. (Two lines per table.) Each Stacker has the opportunity to “warm up” at the On Deck Table prior to their turn at the Competition Table. (Note: They still get their 2 normal warm-ups before each particular stack at the Competition Table as well.) Their time at the On Deck Table is limited to the time it takes the Stacker in front of them to complete their turn at the Competition Table. (Consider this the equivalent of an “on deck circle” in baseball.) Once a Stacker starts warming-up at the On Deck Table, they are “*committed*” and must compete by taking their turn at the Competition Table next. Once at the Competition Table you will establish your fastest time in your Individual 3-3-3, 3-6-3 and Cycle stacks. You will be met by a Judge, who will ask for your pre-made Individual Prelim Time Sheet that your Relay Team Coach will have given you. Prior to each stack, you will have the opportunity to do two (2) warm-ups before being timed three times for each particular stack. The Judge will record your “Best Time” in each category and then sign your form. This sheet will remain at the table to be picked up by a Runner who will deliver them to the Scoring Area. Your “Best Time” in each stack will be recorded on your “My Best Times” sheet for you to keep and compare to current World records. **Spectators, please remain in the stands.**

► Once all times have been entered into the computer at the end of the Individual Prelims, and your time remains in the top 5 of your division (posted on the Big Screen Leader Board), you will qualify for the Individual Finals in that event.

“Doubles” Prelims “Doubles” teams also start at the On Deck Tables in any division. Once at the Competition Table they get two (2) warm-ups and three tries in the Cycle stack (Special Stackers do the 3-6-3) (Follow same Time Sheet procedure as Individual Prelims.) Once all times have been entered for the “Doubles” Prelims, the top 3 teams in each division (posted on the Big Screen Leader Board), will qualify for the “Doubles”

10:30 - 12:00 Timed 3-6-3 Team Relay Prelims

Timed 3-6-3 Team Relay The Timed 3-6-3 Team Relay event follows the same On Deck Table, Competition Table and Time Sheet procedures as noted above in the Individual & “Doubles” Prelims. (See “Timed 3-6-3 Team Relay” flyer attached for more details.)

► *Prior to each stack, teams will NOT have the opportunity to do two (2) warm-ups before being timed three times for each particular stack as in the individual competition.*

► 1:30- 3:00pm: Head to Head 3-6-3 Relays

SINGLE ELIMINATION

Immediately following the Timed 3-6-3 Finals competitions, Relay Managers will introduce themselves and call down all the Relay Team Coaches for a brief pre-tournament meeting. Roll will be called, brackets will be passed out and checked, and a quick review of procedures & rules will be done. The first teams to compete will be called down. These teams report to the Competition Tables that have been assigned to them for that race (announced by a Relay Manager). Subsequent teams will be called to the “On Deck Tables” where they will have the opportunity to warm-up. From here, your team, and another, will be called up to compete at a Competition Table when it becomes available. **(Only teams who have been called to the On Deck Tables should be there.)**

NOTE: Relay Team Coaches are to hold up their Team Sign (found in their Team packet) for a Relay Manager to identify their team.

- Your team will compete at the same Competition Tables throughout your Age division tournament. This will be a *SINGLE-elimination tournament*. A “match” consists of the best two out of three relay races against one team.
- Once you’ve completed your first relay match, return to your seat in the stands. You can watch other teams in your division while waiting to take part in subsequent matches. A large poster will be on display in your division showing the competition brackets and how your team is progressing.

NOTE to RELAY TEAM COACHES: To exhibit good sportsmanship, at the beginning and end of each match, win or lose, please line your team up to “high five” or shake hands with the opposing team. Please work hard to keep the day positive for everyone involved! Thanks!

- At all times, keep your **EYES and EARS** open for your Relay Managers. They will give a “first call” and a “last call” for your team to compete. If your team is late, it will result in an automatic forfeit. If your team continues to progress in the tournament, please return to your seat in the stands between matches. If your team loses *ONE* match and is eliminated, please exit the Competition Area and remain in the stands until your next event.
- The last two teams remaining in each division will qualify to compete in the final match to take place right then. The third and fourth place teams should remain for the medal presentations.
- Once the final match in your division tournament is completed; your Relay Managers will award medals to the top four teams in your division. The presentation will be made at your age division sign.
