

Did you know that volunteering your time is not the only way to help our school? There are several companies that donate back to our school through your participation.

While we would certainly appreciate any time you have to volunteer we know that other responsibilities may prevent you from doing so. Don't worry; you can help us by clipping Box Tops for Education, Campbell's soup labels and Tyson labels. Box Top's for Education offers schools .10 cents for every label turned in. You may already have many of these items in your pantry and refrigerator. It may not sound like a lot, but if we all contribute it adds up quickly. We will begin collecting Box Tops immediately and your child's class can win a classroom party. The Box Tops for Education website can provide further information.

Our school has partnered with Publix to help raise money for Dexter Elementary. All that is required is that you scan this small key ring card we have provided for you, every time you shop at Publix. Then Publix donates back a portion of your purchases.

Coca-Cola supports schools through their My Coke Rewards program. You can register for My Coke Rewards and donate points to our school. These points can help get things like classroom supplies and learning aids. The My Coke Reward website can provide further information www.mycokerewards.com
