

Math Puzzlers

Name: _____ Class: _____ Date: _____

Circle one: PreK-2 3-5

I put my Name on Your Paper	I Illustrated My Problem with Pictures	I Wrote the Math Problem	I Stated My Answer In a Complete Sentence	I Got the Correct Answer
1 Point <input type="checkbox"/>	1 Point <input type="checkbox"/>	1 Point <input type="checkbox"/>	1 Point <input type="checkbox"/>	1 Point <input type="checkbox"/>

(Self Check Rubric)

Solving Problems Step-by-Step

1. What's the Question?	
What do you want to find out?	What do you already know?
2. Make a Plan.	3. Try your plan.
What is your plan?	Show your work.
4. Check your work.	
Does your answer make sense? Is it correct?	
5. Reflect about solving the problem.	
Tell how you got your answer.	
You may use the back to draw pictures to illustrate your work.
