

Multi-Media Club 2012-2013

In order to succeed in the 21st Century we must keep up with the latest developments in technology and we must learn to use computers and other electronic equipment creatively. We are offering a technology club for students who are interested in how to create some FUN multimedia projects! The "Technology Leaders Club" or "TLC" will meet after school on Wednesdays, from 3:45 - 4:45. If you are interested in signing up for the club please return this form to Mrs. McKendree.

TLC is open to students in grades 3-5. Students attending the Club must be picked up by 4:45. Failure to do this will result in the student not being allowed to participate in the club.
