Issue 4

Oct. 28, 2008

Hello parents,

I enjoyed talking to you at the first quarter conference. Report cards will go home on Oct. 31st.

The children have finally adjusted to our program and know the rules of school. Now we are ready to fly high with learning. I expect great progress with my students. This is going to be a great year of learning and achievement.

I'll thank you for your help in advance. Thank you!

Language Arts

Creative writing is an important part of our daily language arts lesson. We are learning that reading and writing is how we communicate. We wrote letters to Mrs. Player when she was sick. We wrote letters to Mrs. Parker on "Happy Boss Day".

Try this idea!

Have your child write to grandparents each week. Just a few words with a picture to illustrate their thoughts will be wonderful. This will help the children to see the value of what they are learning!

Pumpkin Math Day

Thursday, Oct. 30th

2:00—3:00 p.m.

All Dads and Moms are invited to come. Please bring a pumpkin with materials for carving. Pumpkin Math is fun! All parents are welcome!

"Math Matters At McBride"

Homework

Thanks for doing this every night with your precious one.

1. Read small books in parent folder. Sign name.
2. Read words in Smart Boxes. These words are from the Dolch Sight Word reading list. Student returns it on his special day once a week. These words are to be memorized (not sounded out).

Thanks for your help!

#####

Computer fun.

We type, illustrate and print. We have made a bulletin board for our papers. Come see it!

Science/Social Studies

This month we've learned about :

- *Christopher Columbus
- *Hispanic Heritage
- *Fire Prevention
- * Fall
- * Math

We are working with patterns. We have learned how to make the following patterns: AB, ABB, AAB, AABB and ABC.

Important Things To Do!

*Wear running shoes on P.E. days (Wed. and Friday)

*Write name on all coats, backpacks, jackets, and lunch boxes.

*Double knot and double bow all laces/strings in shoes.

*Buy ice cream on Friday.

*Reserve Thanksgiving lunch by Friday, Oct. 31st.
