

"Mary had a Little Lamb"

At circle time I have a doll named Mary that is holding a lamb. We also hello to her and sing the song together. Then I show them 2 stuffed animal lambs. One is big and one is little. Each child gets a turn to choose a lamb and then we sing their name and which lamb they chose in the nursery rhyme like this:

**Suzy has a big lamb, big lamb, big lamb.
Suzy has a big lamb its fleece is white as snow.**

Or

**Joey has a little lamb, little lamb, little lamb.
Joey has a little lamb its fleece is white as snow.**

I also use a small black lamb to sing "Baa Baa Black Sheep" Then I let them choose between the 3 lambs and if they choose the little black lamb we sing:

Cindy has a little lamb... its fleece is black as soot.
