

March Newsletter

Goal—1—Improve Reading Comprehension
Goal—2—Increase Critical Thinking through Math Problem Solving.

Standards for the month of March

Reading—This week we will not have spelling and vocabulary words. We will take a Unit test, which I will send home and you can look over it, sign it, and return it back to me. Also in reading, the students will use knowledge of the author's purpose to comprehend text.

Language Arts—Use a computer to draft, revise, and publish writing.

Math—2– digit Subtraction with and without regrouping, and then Measurement

Science—Plants and Animals

Social Studies—Need for Laws, and Citizenship

March 1-5: Terra Nova Testing
March 8-11: Dr. Seuss Week
March 12: Teacher Work Day
March 16: Texas Roadhouse Night
March 22: Report cards Issued
March 26: Silent Auction
