Dear Parents,

The flat person that your child worked so hard on to decorate is now ready for travel. We wish them all a "Bon Voyage" and we can't wait to learn and hear about their travels! Please mail them off to a friend or relative and ask them to write a brief story about their adventure and then have them mail him / her back to you. These "directions" are also included in the first page of your child's "*Adventures of Flat...*" booklet so the person on the other end will have an idea of what to do. When your child's flat person is returned, your child will bring him / her back to school to read and tell about the trip. Thank you . This will be so exciting for the children.

Sincerely ,

Mrs. A
