

Dear Parents,

I know that PTO sent out a volunteer sheet in their packet. I am sending one just to verify parents that would like to work in the classroom. I will appreciate your help in all activities throughout the year. Thanks for all you do. Please let me know if you object to having room parents contact you.

Please place a check on the line for the areas in which you can help this school year.

- Room Parents
- Chaperone field trips
- Help provide refreshments
- Help with Reading Counts/computer activities
- Memory Book for the class
- Run off copies and do clerical work
- Help with Art Activities

When we have special activities room parents may contact you to volunteer or send in items.

Thanks for all of your support. I appreciate your time.
