Dear Parents,

We will continue to have reading/writing homework daily throughout this month and the next. Choose a book that your child can read (any of the books we've sent home, a library book, one of their own books) or one that you need to read to them. **After reading the book, your child needs to retell you the story. Then your child needs to draw a picture about the book and write a sentence telling about it.**

Please note that retelling and summarizing a story are difficult skills but are excellent ones to increase comprehension and vocabulary. This will also help them to become more independent readers.

I thank you so much for helping instill a love of reading and writing and drawing in your child. Their reading and writing has improved so much since the beginning of the year

Thank you so much for all your help!

Mrs. R
