

LANGUAGE ARTS

At this time your child should be able to:

***Identify letters, make the sound, and print:** Aa, - Kk
(Before Christmas your child should know all letters- both capital and lowercase.)

***Read our sight words:** a, I, see, the, my, can, red, blue, yellow, like, to, green, orange, purple, brown, black, white, gray, pink, play, with, you, and, me, big, little.

We are working hard to learn our sight words in class. Please help your child read their little books when they come home. Thanks!

In math we are working on numbers through 10 - naming the number, counting the quantity, and sequencing number cards. We also continue to work on patterning- AB, ABC, AAB.

We've been reading books about pumpkins and learning how pumpkins grow. Ask your child to tell you what he knows about pumpkins!

Happy Halloween 

HOMEWORK

Please continue to assist your child in their daily homework. It's important that our studies are reinforced & they get in the habit of a daily homework time. Extra "gold" is earned when it's turned in.
