## Wilson Elementary School

September 12, 2008

September 15 was chosen as the kick-off day for the celebration of Hispanic Heritage month because it is the anniversary of the independence of five Latin American countries Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua. Mexico and Chile celebrate their independence soon after on the 18th. The celebration ends on October 15. During the celebration we also celebrate el Día de la Raza or Columbus Day on October 12.

We are going to work on different activities related to the celebration. We are going to be talking about different cultures, countries and foods. We will make flags to represent all the Latin American countries.

### Lo que hacemos en el salon de español.

We have been working on body parts, numbers, colors, greetings during different times of the day and continue to review those.

We are going to start working shapes, things around the classroom and things we do in the classroom.
