MEMORANDUM FOR PARENTS OF STUDENTS GRADES PK - FOURTH

SUBJECT: Fort Bragg Master Policy NO.87

Fort Bragg Master Policy 87 requires the direct supervision of children 0 years through fourth grade at all times. In support of this policy, all students, prekindergarten – fourth grade, must be escorted to and from school by a parent or designated adult. Please ensure that your child's School Student Transportation Form is up to date, indicating how you wish your child to travel home from school each day, and that you have provided the names of those authorized to walk with or transport your child home from school. Bus riders, prekindergarten – fourth grade, should be met at the bus stop by a parent or authorized adult.

The intent of this policy is to ensure the safety of all students. I ask your support of our efforts to make the journey to and from school each day a safe and secure one for every child.

A handwritten signature in blue ink that reads "Emily Marsh".
