Volume 1, Issue 1

August 25, 2009

Join the Parent Teacher Association!

Welcome Back!

As we embark on our first full year at Gordon Elementary we hope to provide you with many exciting events and activities.

The PTA is a vital bridge between the school and the community. Parents and teachers working closely together and communicating provide the best education for your child.

Gordon Elementary School PTA will be holding a membership drive on Wed., August 26, 2009. Members of the PTA will be available at arrival and dismissal times at both the car rider (front of school) and walker (back of school) exits. Spirit wear will also be available.

Why join the PTA?

- You will have a voice in the services and decisions that happen in your school and community. Have ideas? Share them. Have questions? Get answers through the PTA.
- Get connected to teachers, staff, other parents and other students.
- You are showing your child that education is valued in your home. Research shows that children do better when parents are involved.
- Joining the PTA does not obligate you to volunteer at school or attend PTA meetings—although we hope you will!

Show your Patriot Pride!

Show your school spirit by wearing one of our red or blue shirts to school on Fridays (or any other day you feel like wearing it!)

Spirit Wear will be available at Wednesdays membership drive.

Spirit Wear will also be available every other Friday beginning on Sept. 4th.
