ART CURRICULUM

The Art Teachers would like to take time to welcome you and your child to Irwin Intermediate School. We are looking forward to being your child's art teacher this year. We encourage you to come by, visit and see what we are doing in our art classes. We are located in Rooms 34 & 35. Depending on schedule, we will be meeting every 3 days for 1 hour.

Students will be working on developing their art skills through lectures and projects. A variety of media will be covered, such as painting, drawing, sculpture, ceramics, printmaking and more. We will also study different artists, their artworks and art styles. Many lessons will at times tie directly into social studies, science, language arts and math units, furthering students' knowledge and showing a correlation between subjects.
