

MRS. H'S AWESOME ANTS NEWSLETTER

Jan. 5, 2009

What we are learning:

- . Vocabulary for a new story on fossils in our Literacy Place Book
- . Compound words
- . Polygons, attributes of a triangle, problem solving
- . Editing paragraphs
- . Properties of matter
- . Writing New Year's resolutions

The newsletter and homework are posted on the Pope website.
www.am.dodea.edu-bragg-pope

I hope everyone had a wonderful Christmas and a Happy New Year.

Check with your child to make sure they have pencils, crayons, glue stick, dry erase maker, folders that are not torn, sock to use as an eraser on boards.

Please continue to make sure they have a Reading Counts Book and are taking test.

Spelling test will start this week. On Monday I will give a pretest. Your child is only responsible for the words that they miss and they will be highlighted on their homework calendar. Two dictation sentences will also be given. They will contain the week's spelling words. This will be averaged in with the writing grades. The final test will be given on Friday.

TESTS AND QUIZZES

**Multiplication quiz will be given
On Tuesday reviewing the 2,3,4's
On Thurs. we will have a quiz on 5's.**

Math test on Friday on Chapter 23

Spelling test on Friday

GENERAL INFORMATION

We need classroom snacks. If I could have every child bring in enough snacks for 23 this would last us for a couple of months. I'd like for every child to have something to eat during snack time. It can be a box of crackers, vanilla wafers, etc., or it could be individually wrapped.

Please take the customer/satisfaction survey
www.dodea.edu

Parents, please sign the homework calendar every night.
