

MRS. H'S AWESOME ANTS

NEWSLETTER

May 24, 2009

What we are learning:

- . Chapter books using literature circles
- . Children lead discussions in Reading
- . Division and decimals
- . Cursive writing – capital letters-reviewing letters
- . Friction and forces
- . Writing a fiction story using the writing process

The newsletter and homework are posted on the Pope website.
<http://www.am.dodea.edu/bragg/pope/rm14.htm>

Parents please review homework with your child every night and make sure they are bringing their homework folder and calendar to school everyday. Remember they are children and need your help in getting them organized for the school day.

Please continue to make sure they have a Reading Counts Book and are taking tests.

Don't forget to sign the homework calendar every night and check to see that your child has their homework. They miss recess if it is not signed or there is missing homework. Please check over homework for correctness. Jot me a note if there is a problem.

TESTS AND QUIZZES

Spelling Test on Friday

Math Quiz on fractions on Thursday

Paragraph editing quiz on Wednesday

GENERAL INFORMATION

This will be the last newsletter of the year. Thank you for all the support you have given your child and me during this school year. This has been a wonderful class to work with. Have a great summer.
