

MONDAY**TUESDAY****WEDNESDAY****THURSDAY****FRIDAY**

April

3

Help look for the word "is" in your library book. Then write sentences using the word "is."

4

Read a book and tell what happens at the beginning, middle, and end.

5

Practice the Covey habit of Synergy by having the whole family help make dinner or clean the house.

6

Estimate the number of doors in your house and count them.

7

Family Game Night

10

Read a book and identify the characters, setting, problem, and solution.

11

Draw a picture of a rainy day and label it (rain, clouds, sky).

12

Read a book and tell how it relates to you. What does it make you think about?

13

Sort your shoes and tell your rule for sorting.

14

Make a pat with your st

17

Play "Simon Says" and use left and right commands.

18

Put 9 crayons in a bag. Have your child estimate how many and then count how many.

19

Dad bought 12 roses. He gave mom and grandma an equal amount of roses. How many did they each get?

20

Plant a seed and make a journal to record the growth of a seed.

21

Write the word April. Talk about why it starts with a capital letter and name the months of the year.

24

How could you share 10 pieces of candy equally with your mom?

25

Pick two of your favorite animals. Tell how they are alike and different.

26

Read a book and identify the characters, setting, problem, and solution.

27

Tell a story that begins with "Once upon a time. . ."

28

Count back from 10. Can you count back from 20?
