

Ms. A's Class  
Our Focus for  
the week of January 5<sup>th</sup>-9<sup>th</sup>

Concepts of print in our read-alouds  
The letter Oo  
Months of the year  
2-D and 3-D shapes  
Objects in the day and night sky  
Ordinal numbers review (first-tenth)

**HOMEWORK:**

**1. HOME READING!** This is THE most important part of your homework! Parents, thank you for being partners with us in your child's education! Please read AT LEAST 20 MINUTES at least 20 days in each month. Remember to keep your home reading folder in your child's binder. These are reviewed weekly. Most of you are doing an awesome job! Remember, part of the 20 minutes may be used for working on alphabet or sight word flash cards. Also, check out our school's web page. Click on the cyberlibrary to find great learning games! Some of them are related to reading or reading readiness.

**\*Please have your child draw pictures of 3 of the books you read each week. Have them write their name on the top of the paper and return to school by Friday.**

**2. On Friday, January 9, you may bring in ONE item (maybe a toy) to write about in class and share with the class. DO NOT bring anything that looks like a weapon, nor anything that is very expensive. The teachers cannot be responsible for any lost or broken items.) We will have fun showing and sharing!**

**3. Word of the Week: "with"**

**Find at least 3 of the word "with" in newspapers, magazines, etc. Cut out and glue onto any piece of paper. (You may circle it with a crayon first if it helps.) Bring in by Friday for a sticker!**
