

Dress Code

The Fort Campbell Community Schools maintains a dress code to foster a safe, orderly, and professional learning environment for our youth and to align with the DoDEA Vision Statement of “Communities Committed to Success for All Students.” Proper appearance not only makes a good impression to others but also has shown to have a correlation to positive student behavior and increased student achievement. The students represent the United States, our military, and Fort Campbell, and their dress should demonstrate that representation appropriately.

The Dress Code or appropriate school issued uniform is in effect for all students when they are representing the FCSS. The Dress Code is not as structured for activities after the school day. However, the administration always expects clothes to be appropriate and properly worn. Each building administrator reserves the right to prohibit a particular item of clothing or accessory if he or she determines that the item presents a safety concern or that the item is materially and substantively disruptive to the learning environment. Each principal has the authority to declare special dress days at his or her discretion and may approve student clothing that exceeds the dress code standards described above (such as suit coats, argyle sweater vests and similar high standard dress items) on a case by case basis. Students wishing to dress in a fashion that they consider to be in excess of the FCSS dress code standards should consult with a school administrator and get permission for the item/s before wearing them to school. The Board of Education retains the right to quickly recommend additional restrictions for the safety of the students and school system. An example would be if there is a concern about possible gang affiliation.

Absent major challenges in the existing dress code, this policy will not be considered for review or changes until Academic Year 2013-14.

Dress Code Enforcement

Students are expected to arrive at school in proper school attire. If they do not, they may be sent back home or subject to other administrative action. If during the school day, a student is advised by a teacher or staff member to adjust his or her attire to comply with dress code standards, he or she is expected to do so immediately and in the presence of the adult who made the request. If the student fails to make the adjustment on the spot, that student will be considered **insubordinate and will be disciplined accordingly**. The school has a limited supply of clothing items that will be provided to students in case of an emergency.

Additional Dress Code Information
