

ATTENTION PARENTS

Research shows academic performance rises and behavioral issues decrease when parents are frequently at school, and active in their children's education.

The PTO is proud to present you with the opportunity to be involved with your child at Marshall Elementary School. Between the events and helping in the classroom there are many dates and times available for you to help at the school. Whether you have all day or one hour to dedicate there is an opening that will accommodate your schedule. Please take the time to fill out the attached form with any interests you may have. If you do not wish to be contacted to participate in any events please mark the box for not participating.

Thank you for your help in making this school year enjoyable for your child.

I look forward to working with you soon.

Sincerely,

PTO President
