

## **PARENT CONFERENCES**

Parent-Teacher conferences are scheduled at various times throughout the school year to provide an opportunity for direct communication between the home and school. However, any time you feel that one would be beneficial, please call your child's Prime Time teacher to schedule a meeting with the team. Taking an interest in your child by learning about the school improves his or her chance for success. One of the most important ways that parents can get directly involved is to attend and fully participate in parent conferences.
