Principal Perry's Corner

Dear Dragon Families,

It has been another outstanding week at Pierce Terrace.

Our "Donuts for Dads" was a successful event! Thanks to all the volunteers and dads for helping make this a memorable event for our students.

Mr. Perry

SY 12-13 School Board Update

Welcome to our newest members:

Heidi G
SSG N
Amber C

We say a special "THANK YOU" to SGT H and SGT R for their support and dedicated service to our school board and community.

After School Clubs

1st semester clubs are coming to an end! Next week will be the last week for the following clubs: Technology, Success, & STEM.

Be on the lookout for the 2nd semester after school club sign-up sheets once we return from Winter Break.

"Donuts for Dads" was a great success!

We had approximately 70 dads join us for this great event!

Several students have been diagnosed with flu since the Thanksgiving break and have missed a week or more of school. Flu is different from a cold in that it has a quick onset of fever, fatigue, headache, muscle aches, and non productive cough. After a couple of days; sore throat, nasal congestion, and cough become more prominent.

National Data shows that this year the flu season has started early in the Southeastern United States which includes South Carolina. The best way to prevent the flu is to receive an annual flu vaccine. It is not too late to have your child or yourself immunized. Flu vaccines are available to individuals that are four years of age or older at several locations on post. Probably the best place for our students (parents too) to receive the vaccine is at the Moncrief Immunization Clinic (room 6-5). A member of the flu team is there daily from 8 AM to 4 PM.

December 12th, and 19th the flu team will be at the Immunization Clinic until 8:00 PM. I am told that there is never a line on the days they have extended hours!!!

We are also looking at having another Flu Vaccine at Pierce Terrace. STAY TUNED!

**Sheila E, School Nurse
