

IMMUNIZATION REQUIREMENTS

Students who enroll in Department of Defense Education Activity schools must meet specific immunization requirements. The requirements are:

- ❖ **DPT** **Four doses.** At least one dose must be administered **after** 4th birthday
- ❖ **Hib** **Two to Four doses.** Hib is not routinely given to children after 5 years of age.
- ❖ **Hep A** **Two doses.**
- ❖ **Hep B** **Three doses.**
- ❖ **MMR** **Two doses.**
- ❖ **Polio** **Three doses.** At least one dose must be administered **after** 4th birthday.
- ❖ **Varicella** **One dose,** if child was one year old at time of vaccine.

Department of Defense Education Activity mandates proof of immunizations being up to date within ten working days of enrollment. Certificates of immunization and immunizations can be obtained at the Immunization Clinic of Moncrief Army Hospital Monday-Friday 7:30 AM to 3:30 PM. The clinic is located on the sixth floor.
