DR. GREGG G. MOWEN
PRINCIPAL

THERESA M. SCHMIDT
ASSISTANT PRINCIPAL

Dear FKHS Students and Parents,

The faculty and staff would like to welcome all new students attending Fort Knox High School. We look forward to working with you this year. If you are a returning student, welcome back! We are proud of the rich history of our school and look forward to an outstanding school year. This year's graduating class of 2013, will be our 78th at Fort Knox High School. Our alumni can be found all around the world in our military, business and industry, public service, and right here on our faculty. Fort Knox High School is a great place to learn and work!

We are so proud of our student and school achievements. Last year, we ended with \$3,467,820 in college scholarships offered to our seniors along with \$920,000 for the GI Bill with a grand total of \$4,387,820 offered to the Class of 2012 to attend higher education. Our athletic teams ended the year well, bringing home two state championship events in track and field, winning both the girls 100 meter hurdles and boys 4 by 400 relay. We are excited for this year and the achievements that are in store our students and school. We must think the best and do our best in order to be the best.

Our primary goals this year are to increase our math and analytical thinking skills across our curriculum. We will be working 3 days per week: in the mornings to accomplish this improvement in addition to your regular school classes. Teachers will be leading instruction and guiding you along the way, but it will be your effort that will result in our success as a school. We will check our progress 3 times this year; once in the fall, winter, and spring.

Student behavior at FKHS is outstanding and we expect that to continue. This year, there have been a couple changes to the student dress code that you should be aware of when purchasing school clothing. First, only shirts with collars are allowed and that's not new, but the size of the manufacturer's logo on the front has increased to 4 square inches from 2 square inches. Please be careful not to exceed the 4 square inch maximum. Denim colored jeans are not permissible. Please double check dress code before purchasing clothes.

Our vision statement this year is "Fort Knox High School- Your Highway to Success!" With each student having a laptop computer and access to wireless internet throughout the day, we need to be using our information highway to the fullest. Teachers will be involved in an intensive 3 day training session in July and we will be ready to get started toward achieving our school goals quickly. This school year will be filled with opportunities for you to get involved in the classroom, athletics, and clubs. So rest up and be ready to achieve much; see you on August 2, 2012. For more important dates, see the back of this letter.

Sincerely,

Dr. Gregg G. Mowen
Principal

FORT KNOX HIGH SCHOOL
266 Maine Street
Fort Knox, KY 40121

A new Fort Knox High School was completed in 2009 with a capacity of approximately 500 students. The new building, two story, united the existing Professional Technical Studies wing with the current gymnasium creating a connected campus. Fort Knox High School, part of the Department of Defense Elementary and Secondary Schools, currently serves approximately 400 students in grades 9-12 residing on the military post of Fort Knox who have an active duty sponsor.

Our staff strives to meet the unique needs of the military child. Due to high mobility rates and transition needs of our students, Fort Knox High School is a member of the Military Child Education Coalition (MCEC). Several staff members have been trained by the coalition in serving the military student.

Fort Knox High School is currently fully accredited by the AdvancED Accreditation agency, the world's largest education community. The school has approximately 35 teachers. All teachers are required to have a Bachelor's Degree. Most have their Master's Degree and many have completed work beyond their Master's. Additionally, our staff includes a full time nurse, media specialist, school resource officer, educational technologist, and two certified guidance counselors.

Administrative Comment

It is the responsibility of the administration to insure that all students receive the best possible education in a safe and secure environment. It is a known fact that all possible infractions that occur in a school which adversely affect its safety cannot be spelled out in a code of conduct in a handbook. As a result, the administration retains the right to add and/or delete to this handbook as deemed appropriate to insure that the educational process is uninterrupted and that all students have access to sound education in a safe and secure environment.

In an effort to reduce paper consumption, more information regarding Fort Knox High School can be found in the online version of our student/parent handbook located on the school's website. You can request a printed copy of the full version by contacting the main office at 624-7030.

Monday, Tuesday, Wednesday, Friday		Thursday	
Period 1	7:30-8:40	Period 1	7:30-8:15
Period 2	8:44-9:34	Period 2	8:20-9:00

School is dismissed at 2:35 on all days except Thursday. All Fort Knox Community Schools dismiss early every Thursday. There is no Activity Bus for students on Thursdays.

LUNCH TIME: There are two sections for lunch daily. These are referred to as Waves. The first column lists the times for lunch on all days **except** Thursday. The second column is the times for lunch waves on Thursday. A student's lunch wave is determined by the location of his/her class during that period.

Wave 1	11-26 – 11:57/ 10:35 – 11:05 (Thursday)
Wave 2	12:16 - 12:47/ 11:20 – 11:50 (Thursday)

BACKPACKS/BOOK BAGS: At the beginning of the year, students will be allowed to use transparent, see-through or mesh book bags. Book bags may be taken to the classroom. Teachers may establish their own classroom rules regarding placement of book bags. However, the administration reserves the right to end this practice at any time.

BICYCLES: All students who ride bicycles to school should secure them to the bike rack located in the student parking lot.

BUS RIDING PRIVILEGES: Safe transportation of DoDea students is the concern of DoDEA, sponsors/parents/guardians and students. DoDEA contracts for bus transportation from responsible firms with mechanically sound vehicles and properly qualified drivers. However, the safe operation of school buses also depends on student riders understanding and adhering to proper conduct. If a student misbehaves on a school bus, the bus contractor will handle the discipline. Parents/guardians of students receive bus transportation guideline documentation in the enrollment/registration packets. Parents/guardians are required to sign authorization and agreement forms for student transportation.

Activity Bus: An activity bus is available for students. The bus departs the school around 3:35 – 3:40 Monday, Tuesday, Wednesday, and Friday. The activity bus does not run on Thursdays. Students must have an activity bus pass signed by the sponsor of the activity for which they remained after school in order to ride the bus. No student is to remain after school unless under the supervision of a school employee.

Temporary Change of Bus: For more than one day, the sponsor needs to contact Mr. Cisco, bus supervisor, at 942-9557. If the student is going to a friend's house after school, both students involved must provide notes to an administrator in the morning from their sponsors allowing the change.

General Information

CAFETERIA: Students remain in the cafeteria until they are finished eating. Students may go in to the commons area and/or gym if supervision is available. Fort Knox High School is a closed campus. Once students arrive, they cannot leave without approval from the front office. Leaving campus for lunch is not allowed. Breakfast ends at 7:25AM.

CONFERENCES: Teacher-parent conferences may be scheduled by calling the counselors' office and requesting an appointment. Conferences may be scheduled before school, after school, or during the teacher's planning period. Please call the guidance office at 624-5332 to schedule a conference.

DRIVERS' LICENSE REQUIREMENT: The state of Kentucky requires all 16 and 17 year old students wanting to get their drivers license to meet certain requirements according to KRS 159.051. Before a student can get their license, they must have a form completed by their school ensuring they have met the requirements of the law. To get the form, go to the guidance office. For more information, you can go to www.lrc.ky.gov/record/07RS/record.htm (search House Bill 32).

ELEVATOR USAGE: The elevator may be used by students with a medical necessity only. A doctor's note that includes an ending date must be presented to the nurse. An elevator key must be signed out and returned each day from the nurse. Failure to return the key will result in disciplinary action. The elevator must be used during class time only and not during class change since students will have permission to leave their class a few minutes early. Only one additional student may ride if assistance is needed.

FIELD TRIPS: Students must have a current power of attorney on file with the school as well as written parental permission to be able to attend any field trips. Students are expected to adhere to all school rules while attending the field trip. A teacher or sponsor may assign consequences for those who do not conduct themselves in an appropriate manner. Electronic device policy is in effect during field trips.

FIRE AND DISASTER DRILLS: Safety drills are required periodically throughout the school year. All students are expected to behave and follow school rules during such drills. If a student misbehaves, the principal or assistant principal will assign the appropriate consequences.

FOOD SERVICE: Any questions or concerns may be directed to the Food Service office by calling 624-7912 or 2345. The office can also be reached through email using the following address: gabby.weatherford@am.dodea.edu

General Meal Account Information: For every child that attends the Fort Knox Schools the food services department creates a meal account. This account is entered into the school cafeteria computer with appropriate information regarding meal category status. Parents are responsible to insure adequate funds are available in the meal accounts at all times to avoid negative balances. Should you rather your child not have an account and pay cash daily, please notify us either by email or in writing. We will notify the appropriate schools.

Applying for Meal benefits: A new application for free or reduced price meals must be filed **each** school year. Only one application is required per family, but we must have complete information to process the application. Applications will be available after July 1st and can be picked up at any school, Crittenberger Central Offices (located next to Patton Museum in Keyes Park), Barr Memorial Library or online at: <http://www.am.dodea.edu/knox/FKCSCO/Pages/MealsApplication.pdf> . Meal Account Payment Information: Payments are taken daily in the cafeterias. The managers will write a receipt for your payment and credit your child's account that day. Should the only convenient time for you to make a payment be during meal serving time, each cafeteria with the exception of the high school is equipped with a locked payment drop box. Please include your child's first and last name and teacher's name on the envelope so that the manager may write a receipt and give it to your child. In the event your child brings the payment to school, please place it in an envelope also with the same information on the envelope. Instruct your child to pay in the morning before going to class. If your child forgets to pay before class, he or she may drop the payment in the box at anytime during the day.

For your convenience, you may mail your payment to:

**FOOD SERVICES DEPARTMENT
FT. KNOX COMMUNITY SCHOOLS
281 FAYETTE AVENUE BLDG 4553
FT. KNOX, KY 40121-6201**

Please make sure that your student(s) name and school are included with the check. Checks are made out to the cafeteria for individual schools. A receipt will be returned to you by mail. For those parents interested in making payments by credit card, internet website www.lunchprepay.com provides access to a 45-day history of what students are buying for breakfast and lunch. Parents will receive premium membership on a secure site to prepay for school meals, track history of food purchases, and have the assurance of knowing lunch money they send from home actually makes it to school. If a child's account becomes low on funds parents receive low balance alerts by e-mail. Any parent who enrolls a student in LunchPrepay.com will need the students' 10-digit ID number. In order to obtain your students ID number, please contact your child's school cafeteria or the Child Nutrition Department. There is a 5% charge, when a parent adds money to their student's account. For more information parents may go to <https://www.LunchPrepay.com> to register, or contact the FKCS Food Service office at 624-2345 extension 4110 or 4115.

Meal Charge Policy: Students are allowed to charge up to seven meals on their account. After seven charged meals, parents will be notified via mail. All a la carte sales will be discontinued until the account balance is brought up to a positive balance.

A La Carte Sales: At the elementary and middle schools, a la carte sales must be paid for in cash. At the high school, students may use their meal account to purchase a la carte items. Should you not want your high school student to charge a la carte items on their meal account, please notify the high school cafeteria in writing. All a la carte sales will be discontinued once your child has a negative balance on their meal account. Should your child receive free meals, a la carte items must be purchased using cash only.

Delinquent Meal Account Policy: Reminder notices are run every Tuesday in the elementary, intermediate and middle schools and given to the teachers for distribution to the students. Please check with your child. If you are not receiving the notices, you may want to check with your child's teacher. The serving program used at the schools will start generating a reminder notice when the dollar amount in the account falls below \$2.75. At the high school the students are advised by the cashier whether or not a payment on their account is needed.

General Information

FOOD SERVICE (CON'T):

When an account reaches seven charged meals, a courtesy letter is mailed to the sponsor for prompt action. The letter will contain a date by which the account must be brought into a positive balance. If the request for payment goes unheeded a DD Form 139 will automatically be processed through the Military Pay Center. At that time an additional \$25.00 processing fee is added to what is owed on the account.

Returned Check Policy: Upon receipt of the first returned check, a \$25 service charge will be added to the amount of the check written, and the returned check must be picked up in the Food Services Office. If a second check is returned, all check-writing privileges are suspended for six months. Should a wage garnishment need to be filed to redeem a returned check, then check-writing privileges are suspended indefinitely.

FOOD AND DRINKS IN CLASSROOM: Gum, candy, drinks, and food are not permitted in the classroom. On rare occasions or as part of the curriculum, teachers have the authority to allow food within the classroom. Teachers have the authority to confiscate any item prohibited in the classroom. Students who repeatedly violate these prohibitions will be sent to the office. Only plain water in their original bottles will be allowed at the teacher's discretion.

FUND RAISING: All fundraising on behalf of Fort Knox High School must be approved in advance by both the Activities Director and the Principal. Specific guidelines are in place if an activity wishes to raise money from the community. These guidelines will be adhered to by our school organizations.

HEALTH REQUIREMENTS: The school nurse can assist students and their parents with health matters relating to school.

Physical Exams: Student physical examinations are done by appointment at the sponsor's Primary Care Clinic or, in some cases, by an off-post provider.

Physicals are recommended for any **high school student** enrolling in PE/Personal Fitness.

Sports Physicals: A **student participating in sports** must have a physical exam report dated within one year in order to practice or participate in any sport. Before getting the sports physical exam, the parents or student should pick up the forms at Fort Knox High School or Scott Middle School. The report is good for one year from the date of issue.

Immunization Certificates: Every student must meet all requirements specified on the DoDEA Immunization Certificate. A newly enrolling student must have a DoDEA Immunization Certificate within two (2) weeks of enrollment. Any student failing to maintain compliance with DoDEA immunization guidelines will be excluded until proof of up-to-date vaccination is submitted.

Needed immunizations can be obtained on a walk-in basis at the Immunization Clinic, Ireland Army Community Hospital (IACH). TB tests are not given on any Thursday or on a Friday prior to a holiday. If a preschool student has not had a physical examination already and is behind on his/her shots, he/she may be required to have a physical exam before the clinic can give the needed immunizations parents are directed to contact the Immunization Clinic and/or Primary Care Clinic for specific guidelines.

General Information

HEALTH REQUIREMENTS (CON'T):

Health folders: Health folders and/or Health Registration Forms must be completed when the child is enrolled. Parents should list any health problems their child may have. Students with health problems requiring school accommodation or treatment may be required to get written physician statements and/or orders for such treatment. In addition, parents should list their home phone number, duty phone number, cell phones and the name and number of a local contact person(s) whom school officials may call if unable to contact the parent/guardian in an emergency.

The parent/guardian should transport medication to and from school.

No over-the-counter medications (such as Tylenol, cough syrup, or decongestants) can be given by school personnel without a prescription. Students may **not** carry any medications during school or school sponsored events unless the Self Carry forms are completed by the doctor, parent/guardian and student.

Costs associated with the TRICARE program or any dental program must be borne by the child's parent or sponsor.

ITEMS PROHIBITED ON SCHOOL PROPERTY: The items listed below create a safety hazard and are disruptive to the educational process. Items such as: water guns, snow balls, eggs, drug paraphernalia, frisbees, computer games, shaving cream, radios, CD players, tape recorders, dice, basketballs, footballs, cameras, skateboards, etc., are not allowed in school. If this rule is violated, the item(s) will be confiscated and released to a parent or guardian. LIBRARY/MEDIA CENTER SERVICES: The library opens at 7:30 a.m. each morning and is open until 3:20 p.m. each afternoon except Thursday. Students may use it at any time, with permission, between those hours for studying, reading, or research. Books, except for reference books, may be checked out for two weeks with option to renew one time.

Reference books, pamphlets, and magazines go out for overnight use only. Students with overdue materials are not permitted to check other materials out until their record is clear. All students entering the library carrying large bags or satchels, must check them in with the librarian upon entering or be willing to have them looked through upon leaving. Students will be held accountable for any unreturned items.

Students are responsible for keeping lockers clean, neat, and **LOCKED** at all times. The school is not responsible for stolen or lost articles. Students should not bring money or personal items of value to school. Students taking physical education classes must bring a lock to place on their gym locker to protect their items left in the locker room. Lockers are the property of the school and may be subject to search.

LOST AND FOUND: Any article that is found should be turned in to the lost and found in the School Resource Office. Students who have lost articles should check in the office periodically, before or after school. Articles that are not claimed by the end of the school year are turned over to charitable organizations or thrown away.

General Information

PARENT COMMUNICATION: FKHS makes every attempt to communicate with parents regarding school activities, academic achievement of their students and teacher contact. Students and teachers must register their vehicle with the school resource officer. This requires that they provide a copy of their driving license, proof of insurance and registration. This privilege for students can be revoked as determined by the school administration.

PERSONAL BELONGINGS: Students should not bring personal items of value to school. Students are to keep their lockers locked at all times. The school is not responsible for loss, damage or theft of personal items. Students taking a physical education class must bring a lock to place on their gym locker to protect their items left in the locker room.

PHYSICAL EXAMINATIONS: See Health Requirements.

PRIVACY ACT: The Privacy Act of 1974 (5USC 552) and the Family Educational Rights and Privacy Act of 1976 (Public Law 93-380) require that parents be informed of certain information. Completion of certain appropriate forms is mandatory in order to meet requirements of the act.

PRIVACY ACT AND 18 YEAR OLDS: Students who turn 18 years of age while attending Fort Knox High School will be granted all rights of privacy, including those previously afforded to the parents/guardians. In order to provide information to a parent/guardian or even to discuss situations involving a student 18 or older, the student must sign a release to the school authorizing release of information to the parents/guardians. Without such a signed release, the school cannot provide information relating to the student's absenteeism, grades, and discipline. Students who wish to sign the release of information need to see the Principal's secretary.

SCHOOL CLOSINGS: The Fort Knox Schools are very seldom closed for inclement weather. Base operations support generally is able to keep the primary roads open. For information about school closings or delayed openings, watch Fort Knox's TV Channel 98, visit the Fort Knox Web site at www.knox.army.mil, or call the Fort Knox Operations Center at 624-KNOX. In the event school is dismissed early, parents are asked to inform the school office of the location they want their children sent, if it differs from the usual location.

SKATEBOARDS or ROLLER BLADES: Skateboards, roller blades and shoes with wheels are forbidden in the building. They cannot be used in such a way on school property so as to present a danger to pedestrians. They will be confiscated if they are used dangerously or in the building. A parent or guardian will be contacted and will be required to pick up the skateboard.

SUNGLASSES: Sunglasses are not allowed in the classrooms. If worn, the sunglasses will be taken by an adult and the parent or guardian of the student will be required to pick up the sunglasses. Documented medical exceptions may be determined by the school nurse.

SUPPLIES: Students are responsible for their own school supplies. They will be provided with a list of needed supplies from each teacher during the first week of school.

General Information

TARDY POLICIES: Students are permitted two unexcused tardies to each of their seven classes within a nine-week grading period. Students, who are tardy (unexcused) more than two times per class will face disciplinary action. See Attendance Policy.

TELEPHONE USAGE: Any student who needs to make a personal call must use the telephone available in the school office if it is convenient for the office staff. Students will not be allowed to receive personal calls on the office telephones. If an emergency situation requires a student to talk to a parent or relative, a message will be taken and a return call will be made.

TEXTBOOKS: All textbooks are furnished by the Fort Knox Community School Board at no cost to the students. Textbooks will be signed out through the Textbook Room. When textbooks are issued to students, a number for each book is registered to the student's media account and that number must correspond when that book is returned at the end of the school year or if the student withdraws. Lost books or books without matching registration numbers must be paid for by the student. Damaged books will require a fee depending on the extent of the damage. The payment is to be made through the Student Management Supervisory Specialist's office to the United States Treasury. No textbooks will be issued until debts are paid. If a student loses, destroys, or damages a free textbook, the following scale will serve as a guide for compensating for such loss:

1. If age of book is one-two years - 100% of the retail price;
2. Three-four years - 75% of the retail price;
3. Five or more years - 25% of the retail price;

The following options are available if a student loses or mutilates a library book:

1. Replace the book with the same title;
2. Replace the book with a new book of a different title but of comparable value;
3. Pay for the books based on age and/or condition of the book.

TITLE IX POLICY: It is the policy of Fort Knox High School not to discriminate on the basis of sex in its educational progress, activities, or employment policies as required by Title IX of the 1972 Educational Amendments. Inquiries regarding compliance with Title IX may be directed to the Title IX Coordinator, or to the Director of the Office for Civil Rights, Department of Health, Education and Welfare, Washington, D.C.

TITLE IX GRIEVANCE PROCEDURE: Whenever a student or employee in the Fort Knox High School has a complaint of sex discrimination alleging any action which would be prohibited by Title IX of the 1972 Education Amendments, the individual is to take that complaint to the Title IX Coordinator. If the complainant does not receive prompt and equitable resolution of the complaint, the person is to proceed through the school system administrative chain of command to the superintendent. If the complaint is still not resolved, the individual may appear before the Board of Education. Exhaustion of these procedures is not prerequisite for filing of complaints with the Office for Civil Rights.

UNAUTHORIZED AREAS: The boundaries of school grounds are Dixie Street, Gold Vault Road, Eleventh Avenue, and the parking lots. Students violating the off-limits areas will be subject to disciplinary measures. The parking lots and Scott Middle School (except for those who are taking a class there) are off limits during the school day.

VISITOR POLICY: Persons having business in school shall register in the main office. **Students are not to bring visitors or relatives to school to visit classes.**

Academics/Counseling Information

ACADEMIC LETTERS: To be eligible for an academic letter, a student must meet the following standards.

1. Must have at least GPA (grade point average) average of 4.0 for the current school year through the end of the third quarter;
2. A transfer GPA will be accepted for any student entering Fort Knox High School after the end of the first nine week grading period;
3. Be enrolled in a minimum of four subjects to be eligible to receive an academic letter;
4. All subjects in the high school curriculum will count in determining eligibility for an academic letter;
5. Students in grades 9 through 12 are eligible for academic letters;
6. Academic letters will be presented during the Senior Honor Night and Underclassmen Honor Night ceremonies.

ADVANCED PLACEMENT COURSES & EXAMS: The Department of Defense Education Activity (DoDEA) will assume responsibility for the costs to take the Advanced Placement Examinations for all students enrolled in Advanced Placement courses. Consequently, a student taking an Advanced Placement course in a DoDEA high school will be required to take the requisite Advanced Placement Examination in order to receive a weighted grade for the course. See GRADING and GRADE POINT AVERAGES for further information on the DoDEA policies concerning this.

AVID: Advancement Via Individual Determination is a program designed to help middle and high school students prepare for and succeed in colleges and universities. Students in the program commit themselves to improvement and preparation for college. AVID offers a rigorous program of instruction in academic “survival skills” and college level entry skills. The AVID program teaches the student how to study, read for content, take notes, and manage time. Students participate in collaborative study groups or tutorials led by tutors who use skillful questioning to bring students to a higher level of understanding. AVID is an elective class which meets during the regular school day. For more information, contact Mr. Scott Curley in the guidance office.

CLASS RANKINGS: Final class rank is computed beginning with grade nine through the second semester of the twelfth grade (8 semesters). All students are included in the ranking. The grade point average used to determine rank in class is determined by dividing the number of quality points earned by the number of units of credit attempted. Rank is based on cumulative grades. Several students may have the same rank.

Class ranking for graduation will be determined following the second semester of the senior year for students enrolled at the end of the fourth quarter. All letter grades for eight semesters in grades 9 – 12 will be averaged to determine class rankings for graduation honors.

The determination of grade point average for class Valedictorian will be based on student grades attained at the end of the second semester of the graduating year. Students who are graduating early, i.e., after completing 6 semesters of high school, are eligible to compete for this honor. However, students must have been enrolled in a DoDEA school during the first semester of the graduating year to be eligible.

CORRESPONDENCE COURSES: Students may be allowed to take correspondence courses in order to meet Fort Knox High School’s graduation requirements. A maximum of three credits is allowed. A student must meet the attendance requirements of the Ft. Knox Community Schools in order to be eligible for correspondence classes. Principal approval is required.

Academics/Counseling Information

DIPLOMAS: Fort Knox High School awards the common DoDEA diploma. However, students may also qualify for an honors diploma.

DoDEA Honors Diploma: Students graduating from DoDEA schools will earn an Honors Diploma by meeting the following criteria:

1. completion of all graduation requirements;
2. earn a passing course grade and take the requisite examinations in a minimum of four Advanced Placement courses;
3. earn a Grade Point Average of 3.8, or higher, based on grades received through the end of the second semester of the graduating year.

DROP/ADD PROCEDURES: If a student wishes to change their schedule, they must make an appointment with their guidance counselor during the first ten days of the semester. This does not guarantee that a change will take place. However, students can inquire into the possibility of changing a year-long course during the first ten days of the first semester and a semester course in the first ten days of that semester. If a student changes into a new class, they will be expected to make up all work they missed so that they will be able to earn credit in the course. Full credit courses cannot be dropped at the end of the first semester without teacher recommendation and principal approval.

EARLY COMPLETION OF SCHOOL TERM/PCSing: Students whose parents are leaving for overseas assignments during the last 20 days of a school term may be accelerated and complete the term early. Parents should apply to the Principal with a copy of orders as soon as they are notified of PCS.

GRADE CLASSIFICATION BY CREDITS: Students are classified in accordance with the following minimum attainments as determined by DoDEA.

Class of 2010, 2011, 2012, 2013
Freshman – 8 th grade report card
Sophomore – 6 credits
Junior – 12credits
Senior – 18credits
Graduate – At least 26 credits

GRADING and GRADE POINT AVERAGES: The following quality point values are used in calculating the GPA for courses completed in DODEA schools:

Quality Points

Numerical Average	Advanced Placement Weighted	Regular Unweighted
A = 90-100	5	4
B = 80-89	4	3
C = 70-79	3	2
D = 60-69	2	1
F = 59 & Below	0	0

Academics/ Counseling Information

All classes are 18 weeks with 1/2 credit per semester. Subjects will be designated as Advanced Placement courses (AP), honors courses or regular courses. **No extra quality points are given for honors courses.**

Weighted Grades for AP Courses: The Department of Defense Education Activity (DoDEA) will calculate the weighted grades of Advanced Placement (AP) courses for students transferring into DoDEA schools on the grade point scale used in all DoDEA schools. Students entering DoDEA schools with College Board recognized AP courses on their transcripts and proof of completing the respective AP examinations will receive the weighted points for the AP Courses consistent with those points awarded to AP courses in DoDEA.

DoDEA will not modify or alter transcripts received from non-DoDEA schools. However, the student's Grade Point Average (GPA) will be calculated to match the point values for the letter grades issued in all DoDEA schools. The intent of this change is to calculate GPA for all students taking AP courses and completing the AP examination on an equitable basis. Students who have completed AP courses and taken the examination in school systems where grades were not weighted will receive the weight for those AP courses in accord with the DoDEA grading scale.

High School Credit for Courses in 7TH and 8TH Grades: It is the policy of the Department of Defense Dependents Schools that high school credit toward graduation for students in grades 7 and 8 taking mathematics will only be awarded for the successful completion of the Algebra I Course (MAA301) and/or higher-level mathematics. Middle school students will **not** receive high school credit for taking the Introduction to Algebra/Geometry (MAA303) and Introduction to Geometry/Algebra (MAG301) courses.

Credit for foreign languages taken in middle school will be accepted if the course was a high school level course. The sending school must provide the appropriate documentation for credit to be awarded.

Academics/ Counseling Information

GRADESPEED: Gradespeed gives parents online access to their child's attendance or grades. It can be accessed at any time by logging on to <http://dodea.gradespeed.net>. Directions for setting up an account are available in the front office.

GUIDANCE AND COUNSELING PROGRAM: Fort Knox High School has two full-time guidance counselors available to assist students in formulating their plans for the future.

A library of college bulletins, pamphlets, and scholarship information is maintained by the Guidance Department. The material in this library is available to students to help select a college or university, or vocational school.

Standardized Tests administered at FKHS: The Guidance Department maintains a complete profile of standardized test results and personal data for each student in grades 9-12. The profiles are employed to give both teachers and parents a better understanding of the student's interests, aptitude, academic abilities, and general capabilities and limitations. To assist the students in evaluating themselves, the following standardized tests are administered:

Freshmen, sophomores and juniors will be administered the Comprehensive Tests of Basic Skills/ Terra Nova/Multiple Assessments.

Sophomores will be able to take the Preliminary America College Test (PLAN) and the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT). DDESS Head quarters, our educational governing authority, pays for the administration of this assessment and strongly encourages all sophomores to take this exam.

Juniors will be administered the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT). The Scholastic Aptitude Test, College Board Achievement Tests (if desired in the junior year) and the American College Test are made available to students on an individual basis.

Seniors will be able to take the following tests: the Armed Services Vocational Aptitude Battery, the American College Test, the Scholastic Aptitude Test, and the College Board Achievement Test (all administered at various times during the year).

Upon request of parents, teachers, or students, tests in other areas can be made available.

HOMEWORK: Homework serves an important purpose in a student's school life. It is a means of reviewing and reinforcing the lessons taught in school as well as a component in the grading criteria. Homework is also a way to help students develop work and study habits that will assist him/her throughout the years spent in school. Homework will usually be given on a daily basis. Students in grades 9-12 should expect 60-120 minutes of homework each day. These times are only an approximate due to the individual differences of students. Projects are often assigned by teachers. These are long-term assignments and students are expected to work on them on a regular basis and not wait until the due date to complete the entire project. Parents can help develop some routines that will be of assistance in successfully completing homework and other assignments. The following suggestions are offered:

- Provide your student a school daily calendar and ask to see it daily. Help them remain organized by examining their calendar daily. They should note when exams, quizzes will occur and note other deadlines.
- Ask your student if he/she has homework.
- Become interested in your child's work. Ask to see the homework and have it explained to you.
- Help your child set up regular homework time daily.
- Provide a quiet place for work and study.

Academics/ Counseling Information

HONOR ROLLS: Students who earn all A's and/or B's during the first three nine week grading periods will be eligible to receive Honor Roll certificates.

INCOMPLETE GRADE: If a student receives an Incomplete as their temporary grade, the work must be completed by the student within two weeks. If the work is not completed, the student will receive an F on the incomplete work.

MASTERY LEARNING: Mastery learning is a process that enhances the opportunity for academic achievement. The essential elements of mastery learning involve feedback, correctives and enrichment. It is offered in every class and students should readily participate in the program. Sometimes this will require staying after the regular school day. The benefit is well worth the extra minutes that may be needed to be put forth by the student.

The opportunity to reassess will be offered to all students who score below an 80% on formative assessments. To reassess, a student will:

- A. complete one or more of the following as determined by the teacher
 1. assessment correctives;
 2. tutoring;
 3. extra assignment; or
 4. other skill reinforcement;
- B. complete the reassessment during homeroom, class, or after school, as determined by the teacher.
- C. complete the reassessment process within the specified time period as determined by the teacher unless there are extenuating circumstances.

Formative assessments: assessments that are completed during the teaching and learning process;

Summative assessments: assessments that are completed at the end of the teaching.

PHYSICAL EDUCATION: Physicals are recommended for any high school student enrolling in PE/Personal Fitness. Students taking physical education classes must bring and wear appropriate gym clothes. Students must dress out for physical education class. Dress must be appropriate, such as t-shirts, gym shorts or sweat pants that are not too short or too big, and athletic shoes. Students taking a physical education class must bring a lock to place on their gym locker to protect their items left in the locker room.

PROGRESS REPORTS: Progress reports are printed at the mid-term of each quarter. These reports provide parents and students with knowledge and time to remediate any deficiencies.

REPEATING A COURSE: A course for which credit is granted may be repeated for content or skill mastery. Credit will be given only once and the grade will be for the most recent course taken. The student's permanent record will show that the course was repeated. Students repeating a course in which weighted grades are assigned will receive credit only for the most recent course taken.

The grade point average will reflect the most recent course taken. In the case where a student fails a course required for specific graduation requirements, he or she may repeat the course more than once.

This policy was effective for courses being repeated beginning in SY 03-04 and from that point on. It does NOT affect courses that were repeated before SY 03-04. In addition, it applies to DoDEA and non-DoDEA courses providing an equivalent DoDEA course is offered.

REPORT CARDS: Report cards are published at the end of each quarter and are usually mailed home.

SCHOLARSHIPS: Information concerning scholarship opportunities will be made available to students and parents throughout the school year. Fort Knox High School has a local scholarship program. All members of the senior class will be considered by the scholarship committee for achievement recognition. To be eligible for a scholarship, a student must be in attendance at least one semester and must graduate from Fort Knox High School.

Academics/ Counseling Information

SEMESTER EXAMS: Semester exams/culminating assignment are taken by all students in all classes. They are cumulative and count 20% of the semester average. Excused absences during semester exams are granted ONLY when one of the following conditions is met:

1. A medical certificate from a licensed physician certifying illness;
2. A death in the family;
3. A certifiable permanent change of duty station;
4. PRIOR approval by the Principal.

The school administration retains the right to exempt students from exams if deemed necessary. Students will only be allowed to take semester exams early when PCS orders are submitted and/or with approval of the principal. Sufficient notice is required.

TRANSCRIPTS: Students may request a copy of their transcript through the guidance office.

TRANSFERS AND WITHDRAWALS: A transfer student is one who enters or leaves the school after the regular school term has begun.

Any student who meets the legal qualifications for admission to Fort Knox Schools will be offered enrollment. The counselor will assign the transfer student to a specific grade based upon the student's record of attainment at the previous school as shown by an official transcript.

Students entering after school begins must bring a report card, grade sheet, or some type of official information that shows his/her status in the previous school.

A transfer student may be required to make up lost studies to permit him/her to reach the level of his/her class. The appropriate teacher will supervise this make-up work before or after school hours.

As soon as a student knows of the imminent departure of his/her family from Fort Knox, he/she should advise the principal's office. Early advice of this type will permit the completion of schoolwork for the current period, examinations, etc., in order that the student will suffer no loss of credit incident to the transfer to another school. A student may be furnished an unofficial copy of his/her transcript upon request when he/she withdraws. Records of the student's work will be mailed to the school upon request from the school.

Immediately prior to departure the student will turn in all school equipment and books. A withdrawal clearance form will be picked up in the guidance office on the morning of the last full day the student will attend school. The student will have this form signed by the required personnel as indicated on the form. The completed form, when returned to the principal's office, will indicate eligibility for clearance and transfer.

Attendance

ATTENDANCE POLICY: One important factor affecting a student's success in school is regular and punctual attendance. Frequent absences may lead to poor academic work, lack of social development and possible academic failure. Regular attendance is of utmost importance for school interest, social adjustment and scholastic achievement. No single factor may interfere with a student's progress more quickly than frequent tardiness or absence.

All students attending Fort Knox High School are required to attend regularly and punctually. Adherence to the school attendance policy is the responsibility of the parent/sponsor and the student. It is the obligation of every parent to ensure that every child under his/her care and supervision receives adequate education and training, and if of compulsory attendance age, attends school. In some cases, parents have been remiss in meeting their obligation to ensure their school-aged children are attending school. The school will report to the Garrison Commander student offenses of willful and repeated unexcused absences and truancy.

Minimum enrollment: Students must attend school for a minimum of the six academic periods of the day for a total of seven classes to be enrolled. This means that they attend from 7:30 until 1:10 and/or 7:30 until 12:10 on Thursdays.

Absences: If a student is absent from school, the parent is to call the school at 624-7030 on the morning of the absence. The parent needs to provide a written excuse, signed by the parent/guardian, for the student's absence or tardiness upon the student's return. However, the parent/sponsor may be asked to provide verification of illness and appointments.

Excused absences will be granted for the following:

- illness of the student;
- death or severe illness in the family;
- dental, physician, and mental health appointments;
- out of school suspension
- emergency conditions, such as fire, flood, or storm
- college visit
- special cases as allowed by the Principal.

Examples of Unexcused absences are:

- oversleeping
- missing the bus
- babysitting

All absences and tardiness of a student not covered in the list above are unexcused and school assignments may not be made up by the student. Excuses must be provided in a timely manner. Excuses provided after the student's return will require administrator approval.

A student absent from school without the permission of his/her parent/sponsor is unexcused. The parent/sponsor will be notified by the school when a student has three unexcused absences and on the occasion of every subsequent unexcused absence. Our school personnel will seek the cooperation from the parent/sponsor in correcting and preventing truancy, and assisting the parent/sponsor whenever possible.

Students with excessive absences may be monitored by the Student Support Team. Additionally, students with more than seven unexcused absences may be in danger of losing course credit. Unexcused absences may also result in disciplinary action including in-school and out-of-school suspension and expulsion. Principals will notify the Command of habitual unexcused absences, suspensions/expulsions, and repeated misconduct.

Attendance

Student Procedures: Upon returning from an absence for any reason, the student is to report to the reception office to secure an absence slip which will indicate whether the absence is excused or unexcused. Students are required to present this slip to every teacher whose class was missed. For excused absences, presentation of the slip is required before work can be made up.

Tardies: Students are permitted three unexcused tardies to each of their seven classes within a nine-week grading period. Students who are tardy (unexcused) more than three times per grading period will face disciplinary action. On the fourth unexcused tardy, **Saturday School** will be assigned. Students are expected to arrive for Saturday School on time and in appropriate dress-code attire or they will not be allowed in. Students who fail to attend their assigned Saturday School or are not allowed in due to being late or dress code violations will receive **2-days in ISS**. Tardies are reset to zero once the student successfully completes their assigned consequence.

Closed Campus Policy: Fort Knox High School is a closed campus. Leaving school grounds anytime during the day including during lunch without permission is unauthorized. Such absences will be counted as unexcused and skipping school.

Early dismissal/Sign out: If a student is to leave school early for an excused absence, they are to report to the office to be checked out by their parent/guardian, who will sign them out. No phone calls will be accepted for students to be signed out by someone other than those listed as contacts by the sponsor.

Long-term absences: If there is a need for a long-term absence from school, the parent/guardian needs to make arrangements as soon as possible prior to the absence with the principal's office. When approving absences, administrators need to consider the following factors:

- The student is in good academic standing.
 - The student has a record of consistent school attendance during the current school year.
 - Review of the impact previous extended absences from school have had on the student's educational program during the current school year.
 - Administration shall confirm with the parent or sponsors Command, if dates of any extended absence are mandatory or discretionary.
- DoDEA Regulation 2095.01, Enclosure 2

Students who have been approved for an extended absence from school must complete a **Student Educational Monitoring Plan**. The plan is an agreement amongst the student, parents, teachers, and administrators regarding work to be completed during the approved absence. Assignments will be provided to the student prior to the absence and the student must turn in completed assignments to his/her teachers within **five** days of returning to school from the absence.

Missed Work and Exams: If a student has missed school due to an excused absence, he/she has two full days for every day absent to turn in missed work, not to exceed five days. It is the student's responsibility to see each of his/her teachers to find out what he/she missed in class. If a student has missed an exam, he/she is to have it completed within five school days upon his/her return. This can be done during homeroom or as arranged with the teacher.

Dress Code: Fort Knox High School and Scott Middle School

The Fort Knox Community Schools maintains a dress code to foster a safe, orderly, and professional learning environment for our youth and to align with the Vision Statement of "Prepare students to be productive members of a global society." Proper appearance not only makes a good impression to others but also has shown to have a high relationship to behavior and preparation of students for future endeavors. However, the administration always expects clothes to be appropriate and properly worn. The Principal reserves the right to prohibit a particular item of clothing or accessory if he or she determines that the item presents a safety concern or that the item is materially and substantively disruptive to the learning environment. The Principal has the authority to declare special dress days at his or her discretion. This authority may not be delegated. The Board of Education retains the right to quickly recommend additional restrictions for the safety of the students and school system. An example would be if there is a concern about possible gang affiliation. Absent major challenges in the existing dress code, this policy will not be considered for review or changes until Academic Year 2013-14.

Dress Code

This dress code is designed to be a religiously, philosophically, socially, financially and medically neutral, mandatory, universally applicable code. However, we recognize that in some unique circumstances, accommodations (exceptions) to the dress code may be reasonable and appropriate due to the existence of special circumstances. Parents may request that their child be permitted to opt out of some or all of the dress code provisions. Parents may not however, request an opt out of those provisions which prohibit speech related to the promotion of illegal use of drugs, alcohol, tobacco, or violent conduct; or speech that contains threats or expressions which are violent, discriminatory, lewd, vulgar or obscene. A parent request for the student to opt out of some or all of provisions of the school dress code must be provided to the school principal, in writing, and must provide an appropriate rationale to support each aspect of the request.

DRESS CODE VIOLATIONS:

If a student is not in compliance with the dress code, he or she will be given the following options:

1. Call a parent to bring the needed piece of clothing or accessory.
2. Report to In-school Suspension for the remainder of the school day.

If there is a question about a student's attire, send the student to the office for a decision to be determined by an administrator.

If a student receives 4 dress code violations he/she will be assigned to an extended detention.

One to One Laptop Initiative

OVERVIEW: Each student will be issued a laptop to use while attending Fort Knox High School under the One to One Laptop Initiative. Each teacher will incorporate laptop use into their instruction on a regular basis. Students will use the laptops to complete activities, research ideas, and submit assignments to their teachers electronically. Upon parent approval, students will be able to take the laptops home to continue their work for school. Students will be assigned a laptop with a battery, protective sleeve, and portable battery charger. Their name will be placed on the outside top of the machine, with green nametags indicating take home approval and red nametags indicating the machine must stay in the building.

- Students are to keep their laptop with them throughout the day and store them in their lockers using their protective sleeve. Laptops may be transported in a backpack to and from school.
- Each Wednesday, students will leave the computers in their last period class. Students must log out and leave the computers on with the top open. DoDEA provides each machine with an update to software and virus control and protection. All other evenings, the computer is free to travel home with you and we encourage you to do so.
- Students must bring their laptops to school with a full battery each morning. Machines left at school will receive a recharged battery each morning.

TAKING CARE OF THE LAPTOP: Students are responsible for the general care of the laptop they have been issued by the school. Laptops that are broken or fail to work properly must be taken to Mrs. McMann for assistance.

General Precautions

- Eating and drinking is not allowed while your laptop is in use.
- Cords, cables, and removable storage devices must be inserted carefully and gently into the laptop.
- Students should never carry their laptops while the screen is open, unless directed to do so by a teacher.
- Laptops should be shut down before moving them to conserve battery life.
- Laptops must remain free of any writing, drawing, stickers, or labels that are not the property of the DDESS and/or Fort Knox High School.
- Laptops must never be left in a car or any unsupervised area.
- Students are responsible for keeping their laptop's battery charged for school each day.

Carrying Laptops

The protective cases provided with laptops have sufficient padding to protect the laptop from normal treatment and provide a suitable means for carrying the computer within the school. The guidelines below should be followed:

- Laptops should always be within the protective case when carried.
- The laptop must be turned off before placing it in the carrying case.

Screen Care

The laptop screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen. Here are a few things you should never do to your laptop:

- Lean on the top of the laptop when it is closed.
- Place anything near the laptop that could put pressure on the screen.
- Place anything in the carrying sleeve that will press against the cover.
- Poke the screen.
- Place anything on the keyboard before closing the lid (e.g. pens, pencils, or disks).

One to One Laptop Initiative

USING THE LAPTOP AT SCHOOL: Laptops are intended for use at school each day. In addition to teacher expectations for laptop use, school messages, announcements, calendars and schedules will be accessed using the laptop computer. Students must be responsible to bring their laptop to all classes, unless specifically advised not to do so by their teacher.

Laptops Left at Home

If students leave their laptop at home, they must immediately phone parents to bring them to school. Repeat violations of this policy will result in disciplinary action.

Laptop Undergoing Repair

Loaner laptops may be issued to students when they leave their laptops for repair at the Help Desk.

Charging the Laptop's Battery

Laptops must be brought to school each day in a fully charged condition. Students need to charge their laptops each evening. Repeat violations of this policy will result in disciplinary action. In cases where use of the laptop has caused batteries to become discharged, students will swap out the depleted battery with a fully charged battery from a designated charging station. Students will be assigned a charging station to use and most will be located in their Encore classrooms. A fully charged battery should last until lunch time. After lunch, students will be expected to have a fully charged battery for their afternoon work.

Screensavers

- Only use the screensavers that have been preloaded and exist on the machine when it is assigned to you.
- Passwords on screensavers are not to be used.
- Hard drive passwords are forbidden. If used, students may be responsible for the cost of replacement hardware.

STUDENT LAPTOP REPAIRS: Steps to resolve a problem with a student's laptop:

- Student asks another student for help in correcting a problem with his/her laptop computer. If problem can't be fixed, move to step 2.
- The laptop is taken to Mr. Levenson in the room 126 where the student completes the repair form.
- Once the repair form is complete, the student turns in his/her computer and receives a loaner machine. The student signs the loaner agreement at the bottom of the repair form.
- Once the repair is completed and the machine is back in working order, the student is notified during the morning announcements and returns to room 126 where the loaner machine is inspected by Mr. Levenson. If the machine is found to be in good condition, Mr. Levenson certifies it as such and returns the original student machine back to the student.
- The student must sign for the machine on the repair form.

From time to time the school may add software applications for use in a particular course. The licenses for this software require that the software be deleted from laptops at the completion of the course. Periodic checks of laptops will be made to ensure that students have deleted software that is no longer required in class and that the school has not exceeded its licenses.

Student Expectations

3 R's: Fort Knox High School has adopted three words to live by: respectful, responsible, and reliable. Posters with these words and a brief description are posted throughout the building. Faculty members are asked to reinforce these words with their students and model these behaviors for the students. Each month, faculty members can nominate a student who exhibits these quality traits. Students will receive an award and a pass to an athletic event.

CAUGHT BEING GOOD: In an effort to reinforce positive behavior, Fort Knox High School has adopted the Caught Being Good program. Whenever a faculty member sees a student performing a good deed, the faculty member can nominate that student for a Caught Being Good award. Recipients of the award receive a special treat and are recognized during the morning or afternoon announcements. Last year, over 200 students received Caught Being Good Awards.

CAMERAS: Refer to DoDEA Discipline Policy.

CD PLAYERS/RADIO/CASSETTE PLAYERS: CD players, radios, cassette players, IPODS or other types of music delivery systems should not be brought to school. The school shall not assume responsibility for damage, theft or loss of any confiscated personal property or personal property brought to school. Students are not to be in the hallways using these devices once the 7:20 bell has rung or in the classroom using them without permission or without an educational purpose.

CELL PHONE/ELECTRONIC DEVICE: Student possession of cell phones in the Fort Knox Community Schools is allowable subject to the following rules and regulations. Though allowed, cell phones are a distraction and may become a tempting prohibition to students, which can result in disciplinary action and may include suspension and loss of academic learning time and the opportunity to make-up missed work. With this in mind, the administration and the Board of Education request that if parents choose to allow their students to possess cell phones at school, please establish an understanding with them that, during school hours, all cell phones must remain turned off and in lockers, book bags or in vehicles. Students are not to have cell phones/electronic devices in their possession, while in the school building.

Electronic readers or e-readers are allowed, but cannot be connected to the Internet at school. Students must have permission from the teacher before they can use the electronic readers or e-readers.

Additionally, the school system prohibits the use of all communication devices that have limited or no educational value or their use creates learner distraction and disruption. The Fort Knox Community Schools reserve the right to define the educational value of any new electronic wireless communication devices that may become available to the public in the future and to prohibit their use if they have little or no educational value or if such use creates learner distraction or disruption.

Possession of a cell phone by a student is a privilege, which may be forfeited by the student not abiding by the terms of this policy. This policy statement serves as a first warning, detailing the prohibitions and discipline associated with the Fort Knox Community Schools' cell phone use policy.

Students shall be personally and solely responsible for the security of their cell phones. The Fort Knox Community Schools shall not assume responsibility for theft, loss, or damage of a cell phone/electronic device, or unauthorized calls made on a cell phone.

Use of Cell Phones on School Grounds

A student may possess a cell phone on school property, at after school activities and at school-related functions, if during school hours (starting at 7:20 AM) the cell phone remains off, concealed and secured in lockers, vehicles or book bags during the academic day.

*Confiscated phones will be returned to the student's sponsor only; also, if any criminal violations may have been allegedly committed, the MPs will be called and the phone turned over as evidence.

Student Expectations

CELL PHONE/ELECTRONIC DEVICE (CON'T): Picture phones (camera phones) are viewed as cameras, and are allowable only by the camera policy that is presently in place. The administration and the Board of Education believe that picture phones can pose the same threats as cameras to freedoms of privacy, can exploit personal information through use, and can possibly create problems/issues in custody situations.

Disciplinary Action

If a student chooses to bring a cell phone to school, the student and his or her sponsor are responsible to ensure all guidelines are followed. Disciplinary action will be at the discretion of the school principal.

CHEATING/PLAGIARISM: Fort Knox High School students are expected to abide by the fundamental principles of honesty with respect to their academic work. Students are expected to put forth their best effort in responding to homework, daily assignments, quizzes, tests, essays, and research papers/projects. Cheating and plagiarism undermine a student's ability to realize his/her full academic potential, destroy the trust between the teacher and the student, and compromises other students' academic standing. Cheating and plagiarism are very serious academic offenses.

Cheating is defined as follows:

- Copying or attempting to copy another student's homework, quiz, test, essay, or lab report;
- giving completed work to another student without the teacher's approval;
- allowing another student to copy answers during a test or exam;
- collaborating with other students on an assignment in direct violation of the teacher's instructions;
- using books and electronic information in generating an assignment in direct violation of the teacher's instructions;
- accessing, taking and benefiting from copies of tests and quizzes previously used or to be used by the teacher;
- Using notes or other study aids not authorized by the teacher.

Plagiarism involves using the ideas or words of others as your own and is further defined as follows:

- copying material from a source, including the Internet, without citing the source (or citing the source but omitting quotation marks);
- paraphrasing or summarizing the source without proper citation;
- copying stories, in whole or part, which appear in books, magazines, television, or film;
- copying directly, without making changes, alterations or adaptations from statistics, drawings, paintings, illustrations, photographic images, or graphic symbols without citing the source;
- submitting papers written in whole or part by someone else, including the Internet;
- submitting papers on which the student has received substantial assistance from peers and/or adults that dramatically changes the character of the work so that it is no longer the student's own;
- using theories or interpretations that are not the student's own.

The following link details other types of Plagiarism:

http://plagiarism.org/plag_article_types_of_plagiarism.html

Preventing Plagiarism

- Do your own work;
- Avoid copy and pasting;
- Use turnitin.com or similar resources (Teachers may require students turn their work into a verification resource)
- Make sure you cite your work properly.

Student Expectations

CHEATING/PLAGIARISM (CON'T):

Consequences: Students who have cheated or plagiarized may receive a zero for the assignment or be asked to resubmit assignment and their parents/guardians may be notified. If further consequences are needed, that will be ascertained by the Principal or Assistant Principal.

CLASSROOM RULES: All students are expected to respect the rights of teachers and other students. Students should learn what each individual teacher expects in the classroom and be able to adjust according to the varying techniques used in teaching different subjects.

Both teachers and students should work toward building a mutual respect for each other's abilities and adjust so that maximum educational benefits will be derived.

The teacher has the right to determine in each class the degree of order and discipline that is most conducive to his/her teaching method.

Classroom teachers are responsible for implementing conditions that assure all students the opportunity for success and maintaining a classroom atmosphere conducive to learning.

On special occasions, an appropriate celebration or class party is permitted **ONLY** with the advanced approval by the Principal or Assistant Principal. All such activities must be supervised by the teacher in charge.

COMPUTER USAGE: The use of school computers is a privilege. Students are expected to use the computer in appropriate ways. Students must read and sign the DoDEA acceptable use agreement yearly in order to be allowed to use school computers. If a student abuses this privilege, it may be revoked by the Principal or Assistant Principal. Each student has storage space on the school server that allows the student to save school-related work for retrieval later. Teachers can also retrieve assigned work from the student's folder. Storing non-school-related material in the student's folder on the school server is strictly prohibited. Files such as music files, games, pictures and copyrighted software are not allowed. Downloading such files is illegal and consequences can be expected.

HOMEROOM RULES: Homeroom is at the beginning of first period each day. Three days a week, homeroom time will be used for Target Time to reinforce school goals. Whenever Target Time is not in session, students may use this time to meet with a teacher and find out their missed work due to an excused absence. Students will be issued a pass to use during homeroom that enables them to meet with teachers. All students are expected to adhere to the following rules for homeroom.

1. Be seated before the bell rings. If a student is tardy, he/she will be sent to the office and receive an Unexcused Tardy to school.
2. No passes will be issued until after the announcements.
3. Students may not leave the room without a pass completely filled out and checked by the homeroom teacher.
4. The student homeroom pass must be returned to the homeroom teacher upon return to class. The pass must be signed with the return to class time.
5. Misuse of the homeroom pass will result in detention and/or the loss of pass privileges.
6. The principal has requested that teachers minimize locker and restroom passes.
7. Quiet talk is allowed when necessary for schoolwork. **DO NOT** distract others who are trying to work.
8. The Sign Out Sheet must be signed by students upon leaving a classroom anytime.

LOITERING: Students are expected to depart the building after classes at the end of each day. Students can stay after school for an appointment with a teacher or for a student activity that is taking place immediately after school. Otherwise, students are not to loiter around the building before or after school hours.

PUBLIC DISPLAY OF AFFECTION: School and the school campus is not the place for students to show their affection publicly for one another by holding hands, hugging, kissing, etc. Therefore, students are not permitted to publicly display their affection for each other. Violation of this rule may result in disciplinary action.

Student Expectations

STUDENT BEHAVIOR POLICY:

1. Students' Rights and Responsibilities:

Students have the privilege to attend school, and learn. It is their right to expect respect at school, on the bus, or at school activities from other students and school employees. It is the responsibility of the school system to protect students from sexual harassment, and physical or verbal abuse from other students and school employees. Students have the responsibility to follow published FKCS, school, and classroom rules. Students who are accused of violating the rules or displaying improper conduct will be provided with due process which, at the minimum, means they will be informed of the violation and will be provided with a chance to explain their position, except when their presence in school could endanger other students.

2. Behavior Expectations for Students:

Students are expected to behave in the following manner:

1. Show respect to others and their property.
2. Act in a manner that creates a good learning situation.
3. Display good conduct at school, at school activities, and on the bus.
4. Obey the established rules, regulations, and laws of the classroom, school, FKCS, Do-DEA, military installation, and/or the community.

****POLICY APPLICATIONS:** This Behavior Policy applies to students while on school property, while en route between school and home, at any school activity, while on vehicles owned by the Government or contracted by DoDEA schools for the transport of students, while on field trips or any school-sponsored or school supervised activity, including evening activities, during lunch period on a school day whether on or off campus, during or while going to or from a school sponsored or school supervised events or activities.

3. Consequences of Conduct Violations and Penalties:

Student discipline may follow the progression of less severe punishment for the first infraction with increases in punishment for each subsequent offense. Any severe disruption or offense may result in a more severe penalty based on the nature of the incident. The principal, assistant principal, and/or teacher, consistent with the powers and authority delegated to them by the FKCS, have the authority to take additional administrative action or modify administrative action if, in their opinion, it is warranted by the nature of the misconduct. This Behavior Policy is not meant to include all possible infractions. Students who do not meet the behavior expectations are subject to consequences or combination of these consequences (consequences may vary according to age appropriateness).

4. Minor or First Offenses

A student may be disciplined for minor or first offenses through the use of oral or written reprimands or notification to parents/guardians, time out, after school and in school detentions, teacher/parent conferences, suspension of school or extracurricular privileges, or by other interventions deemed by the teacher or administrator to be appropriate. Minor offenses include any conduct that is not conducive to the good order and discipline of the school. Examples of conduct for which minor discipline may be appropriate include, but are not limited to include: tardiness, chewing gum or eating food in class, running or horseplay in the halls or classrooms, use of offensive language, and disrupting the class by talking, laughing, or wandering about when the teacher determines that such conduct is inappropriate to the classroom activity. **The imposition of more serious disciplinary actions may be administered if a student engages in repeated or multiple acts of misconduct.** While grading school work performance or nonperformance is appropriate, grade (score) reduction as a disciplinary action is not an appropriate means of discipline.

Student Expectations

STUDENT BEHAVIOR POLICY (CON'T):

Informal Conference. When exercising discipline, the principal or teacher must conduct an informal conference with the student. The purpose of the conference is to ensure that the proper student is being disciplined, the alleged infractions actually occurred, the student has the opportunity to give his or her side of the incident, and the student knows why he or she is being disciplined. This informal conference generally will occur immediately upon notifying the student that he or she is being considered for discipline. All necessary fact gathering will be accomplished immediately; perhaps during the informal conference. The principal or teacher must determine from the evidence available that a preponderance of the evidence requires the imposition of a consequence. Notice to the Student and Student Rights When Removal From School is Not an Issue. The principal or teacher shall:

- Advise the student why discipline action is being taken against the student..
- Summarize the information that the teacher or principal is relying upon to conclude that the accused student committed an act.
- Afford the student, or his or her sponsor/parent/guardian, the opportunity to explain the alleged misconduct, and to present evidence that supports the student's explanation that the student has not committed an act.

5. Serious Offenses

A student may be disciplined, to include removal from school (suspension, expulsion or out of school placement) in appropriate circumstances, when a preponderance of the evidence demonstrates that the student has engaged in any of the following acts of misconduct:

- a. Caused, attempted to cause, or threatened to cause physical injury to another person, or has threatened to use or has used physical force against any person, including physical force that causes serious bodily injury.
- b. Possession, use or transfer of any dangerous weapon (e.g., any firearm, knife, explosive, incendiary device, or dangerous object) at the school or at a school-sponsored activity. Weapons are items carried, presented, or used in the presence of other persons with the intent of threatening or harming any individuals, or that are capable of causing death or serious bodily injury. They include, but are not limited to; guns, ammunition, knives, swords, razors, box or carpet cutters, slingshots, nun-chucks, blackjacks, brass/metal knuckles, throwing stars, any flailing instrument such as: a fighting chain, heavy studded or chain belt, or objects designed to project a missile; explosives, mace, pepper spray, or any other similar propellant; or any other object or instrument that is made to, or used in a manner to, either inflict or threaten to inflict serious bodily injury or instill fear (e.g., replica/look-alike gun, baseball bat, laser pointer, letter opener, etc.). A minimum one year expulsion is required for the possession of firearms.
- c. Possession, use, distribution, or the attempted possession, use or distribution of alcoholic beverages.
- d. Possession or use of tobacco, or any product containing tobacco or nicotine products, including, but not limited to, cigarettes, cigars, miniature cigars, clove, smokeless tobacco, snuff, chew packets, and betel nut.

4. Discipline Procedures for Students on Individualized Education Plans:

The amendments to the special education laws have influenced FKCS disciplinary policy for students with disabilities. Students with disabilities may be suspended and removed from current placement for 10 school days or less in the same school year by the unilateral decision of the school administrator. The school is not required to provide instructional services during these periods of suspension. Assignment of additional discipline during the school year will be handled on an individual basis with the input of the child's special education teacher, and on occasion, by review of the Case Study Committee.

5. Types of Consequences:

A variety of consequences can be given to students for conduct violation. These include time out during a class (**ISTOR**), After school detention, Extended After School Detention until 5:00 on Friday days, In-school Suspension, Out of School Suspension or expulsion.

A. ISTOR: A teacher may send a student out of class for disruption. They remain with the assistant principal or principal in their office for the remaining of the class time. Parents will be notified by mail of these infractions.

B. AFTER SCHOOL DETENTION: A teacher or administrator may assign after school detention for rules violations. The teacher/administrator will complete the paperwork and tell the student the date for the detention. The student will initial the paperwork and receive the pink copy from the teacher/administrator. The times for **After School Detention** are 2:40 – 3:35. This is held in the cafeteria. Students must report on time, be seated quietly and be doing their work. Work may be assigned by the monitor. If a student is late to After School Detention, they will not be allowed to enter. They will be considered absent from After School Detention and will have to serve an **Extended Friday After School Detention**. It is the responsibility of the student to notify the parent and attend After School Detention once the date has been assigned, but the written notice may not arrive prior to the assigned date. Parents will also be notified by mail of these infractions. After School Detention takes precedence over all other school activities. If a student misbehaves during After School Detention or skips After School Detention, an **Extended Friday After School Detention** may be assigned. Acquiring excessive After School Detentions may lead to more severe consequences.

Student Expectations

Missing After School Detention: If a student must miss After School Detention due to an appointment or other excused reason, the parent must either call the principal or assistant principal before the day of the After School Detention or send in a signed and dated note before the day of the After School Detention.

C. Extended Friday After School Detention: This is held in the cafeteria on Fridays from 2:40 until 5:00. Extended Friday After School Detention is assigned by an administrator. No transportation is provided. If a student misses Extended After School Detention, he or she will be assigned Saturday School. Once an Extended After School Detention has been assigned, it will not be rescheduled except for excused absences from school or prior parental request by phone to the Principal or Assistant Principal. Students must report to Extended After School Detention on time, be seated quietly, and be doing their work. Work may be assigned by the monitor.

NOTE: There may be times when a student assigned to serve an After School Detention, Extended Friday After School Detention, or Saturday School session may be required to, under supervision of a Fort Knox High School staff member, to perform light physical work. These types of tasks may include cleaning of student desks, policing of school grounds, sweeping rooms, or packing teacher supplies.

D. Saturday School: Saturday School is held twice a month in the cafeteria. Saturday School sessions will be scheduled between 7:30 am to 11:00 am. Students must abide by the dress code and come prepared with school work. Once a Saturday School session has been assigned, it will not be rescheduled except for excused reasons or prior parental request by phone to the Principal or Assistant Principal. Students must report to Saturday School on time, be seated quietly, and be doing their work. Work may be assigned by the monitor.

E. In-school Suspension: **In-school suspension** is an intervention program designed to encourage positive behaviors while maintaining academic opportunity. Students report to classroom 120 located in the JROTC wing while serving In-school suspension. All of their class work is sent to the In-school suspension classroom. They are required to bring all their materials and textbooks to classroom 120. While serving In-school suspension, academic tasks, lunch, bathroom breaks, and community service will be conducted. While students are serving In-school suspension, they may not be allowed to participate in extracurricular activities at the discretion of an administrator.

The following are the rules and procedures of In-school suspension.

Rules

1. No talking allowed without permission. Students must raise their hands when they have a question.
2. No sleeping, head down, or eyes closed.

7. Students are responsible for turning in completed assignments to teachers.
8. No defacing of government property will be tolerated In-school suspension.
9. When completing an assignment that requires the use of a computer, students must only work on that assignment. No 'surfing', playing of games or listening to music will be allowed.

Consequences

1. Student will be warned by having his/her name placed on the board.
2. Student will have a check mark placed next to his/her name. The student's name will be given to an administrator to determine the consequence in order to comply with the Americans with Disabilities Act.
3. Student will be sent to the office to be dealt with by the Assistant Principal or Principal.

Student Expectations:

STUDENT BEHAVIOR POLICY (CON'T):

E. Out of School Suspension: Administrators may suspend a student out of school as needed. They may not participate in school activities while suspended. Makeup work will have to be arranged upon their return.

F. Expulsion: Administrators may recommend expulsion to the Superintendent. A student is temporarily suspended while the expulsion hearing is pending.

6. Appeals Process DoDEA Policy Regulation 2051.1 (E4.7)

When a student is disciplined by school officials, the parent/sponsor/guardian has the right to request an appeal of the discipline decision. The procedure is outline below:

APPEALS NOT INVOLVING REMOVAL (SUSPENSION)

1. Appeals from disciplinary actions imposed by a teacher or a principal that do not involve removing a child from the school are resolved through a conference (informal hearing) between the parent/ sponsor/guardian and the teacher or principal.
2. The request for conference must be orally or in writing to the teacher or principal, whoever imposed the discipline, within 5 days of the imposition of the discipline.
3. The teacher or principal promptly will hold a conference with the parent/sponsor/guardian.

The principal is the final appellate authority for discipline not involving removal from school, whether the discipline is imposed by a teacher or the principal.

APPEALS INVOLVING REMOVAL (SUSPENSION) FOR 10 DAYS OR FEWER

1. A parent/sponsor/guardian whose child has been disciplined with removal from school for a period of time may file a written appeal of the discipline within five (5) days of the imposition of discipline with the District Superintendent (appellate authority). The parent/sponsor/guardian must simultaneously provide a copy of his or her appeal to the Principal who imposed the removal.
2. The parent/sponsor/guardian or school may present new or previously undiscovered documentary evidence provided that the document is provided to the other party.
3. The Principal will forward a copy of the record developed in the disciplinary proceedings to the Superintendent upon notice an appeal has been filed.
4. The appeal must describe in full detail why the discipline assessed is inappropriate.
5. The appeal to the District Superintendent is a paper review, affording no party the right to be present or to make oral arguments.
6. The District Superintendent will issue the parent/sponsor/guardian a final written decision. No further appeal is authorized.
7. The school need not defer the imposition of any disciplinary consequence pending the appeal, particularly when the discipline is being taken to protect the student or to prevent disruption in the class.
8. If the basis for the disciplinary action or the disciplinary consequence is reversed on appeal, all records of a student having been disciplined will be removed from the student's disciplinary file, and notice will be sent to the student's parent/sponsor/ guardian and to the installation commander and the District Superintendent to disregard the prior notice of removal and to remove and destroy such priors notices.
