Dear Sponsor,

Welcome to the Fort Knox Community Schools! Here at Scott Middle we strive to provide exemplary educational programs that inspire and prepare each student for SUCCESS in a global environment. Please help us by accurately completing the attached registration packet and returning it to our school.

Included in this packet is a Registration Form (DoDEA Form 600). Please ensure that the form is signed by the active duty sponsor. If the sponsor is deployed, it may be signed by his or her spouse with a Power of Attorney (a copy will need to be submitted with the documents). If this is not possible, please ask the school Registrar for further assistance.

In order to complete registration so that your child may begin school, you will need to provide the following information:

- a. A certified birth certificate from the Department of Vital Statistics of the state of birth (a copy will be retained) or the child's passport.
- b. If the sponsor is not listed on the birth certificate as a biological parent, or a passport (which does not include parent information) is used to verify date of birth, the child's dependency and/or custody determination must be documented before enrollment is approved. Please contact the Registrar for a list of required documents.
- c. Documentation of the sponsor's housing assignment on Fort Knox, either by a housing letter, Housing Assignment Voucher, the Knox Hills lease agreement or a 90/180-day letter from the appropriate Housing office. No child will be permitted to register for school without this documentation.

Thank you for your cooperation. If you have any further questions, please contact our Registrar at 502-624-2236 or 6572. We look forward to serving your child in our school this year!

Sincerely,

Linda Haberman
