

¡Español en JPS!

Dear Parent/Sponsor,

Johnson Primary School is in the fourth year of *Foreign Language at the Elementary School (FLES)* program at Camp Lejeune. It is our privilege to offer your child the best foreign language education ever!

Spanish will be the focal language for this program and is considered a core subject. Mrs.H's classes meet in room C-105, and Mrs. B's classes meet in room D-115.

The curriculum is using the foreign language standards based on the American Council on the Teaching of Foreign Languages (ACTFL) Standards and sets attainable proficiency expectations. Student expectations are that they will comprehend and produce vocabulary related to everyday objects and actions on a limited number of familiar topics.

We will be using the school's grading system to report students' progress on the regular report card. Although Spanish is a core subject, it will be listed with the specials classes.

We provide fun activities to reach all students' learning styles which increase students' opportunities to be successful. All administrators, teachers, and school personnel are committed to the teaching and learning of Spanish.

We are very excited to be part of this successful program!

Mrs. B and Mrs. H
Spanish Teachers
