## A Peek At The Week

THANK YOU to Alexander's Mom and Ashlynn's Mom and Carlee's Mom (AM parents), Leighla's Mom and Ali's Mom (PM parents)!!!! We were so glad you were able to help us out on Friday. This month we will study healthy foods, fall and being thankful. Please note that your child's job will change every week, so check the job chart to see their new job.

### "HOMEWORK"

We hope you are finding the math links helpful in providing your child with math experiences that are fun and relevant at home. TURKEY FEATHER FAMILY PROJECT: We sent home a turkey feather for you to decorate with your child. We would like them back as soon as possible so we can display them on our class turkey. Please read the directions and keep materials ABOVE the black line so they do not get ruined. If you are in need of collage materials or glue, do not hesitate to ask. We have plenty in our Art center.

READING LOGS: We are looking to support you in documenting when you read. We know families are busy and we also know you are reading every night to your child! However, we do need to have it documented so we can prove that you ARE reading. If you have suggestions on how we can get parents to document their reading, we would love it! In the meanwhile, we are trying something new. At the bottom of the newsletter there is a statement that says you have read at least 4 nights last week to your child. You can tear off the bottom and turn it in on Mondays in the folder or if you would prefer to e-mail me, I am also sending an e-mail that says "Have you read at least 4 nights last week to your preschooler?, all you have to do is hit reply all and say YES! We hope that one of these methods will work best for you. Remember you can read ANY book or writing (home, library, letter from Grandma etc.)

Music and finger plays: "I just swallowed a pumpkin seed!" "Movement and Music Medley"  
Ten Little Indians, finger play.
