here is the newsletter for next week.

Mrs. C's
Super Star News
 December 8-12

 Reading	<p>We are working on plays, reading with expression, and performing in front of others. We are working on book talks where we share stories we have enjoyed with the class.</p>
Spelling/Vocabulary 	<p>The students will take the words home on Monday that they copy from the board. We will pretest on Thursday and test on Friday. We will also generate our own personal lists from our story writing. We will Buddy test on those words.</p>
Math 2=	<p>We are learning about multiplication, and equal groups.</p>
 Grammar	<p>We are working on using great sentences in our writing, using details, and having a good beginning and ending. We are learning to revise and make our stories even better! We are working on animal reports.</p>
ORD UDY 	<p>We are finding interesting describing words in our reading that we can use in our writing. We continue to work with</p>

word families.

We are studying the states of matter. Mrs. Austin is leading several wonderful experiments in the science lab. Note: PTO blog with lots of news- go to: www.mespto.typepad.com

Notes/Reminders: PE is Monday and Wednesday (tennis

Library Wednesday (bring book back)
Lunch 11:24-11:54
