

From your Maxwell PTO Board

Hello! I hope that we are all having a great year so far! We are looking forward to a great rest of the year! There have been a few changes around the school and we would like to share those with you.

First of all, my name is L. S. and I will be the President of the PTO for the remainder of the school year. We are in the process of getting another Vice President, someone to take my place since I stepped in as President. If you, or if you know of another parent that would be interested please let me know.

We also have C. D. as our Treasurer, and B. E. as our Secretary.

As we, the PTO board, are aware of a few things here and there that may have needed attention, we are trying to make a smooth transition and work together to get things done as quickly and as well as possible. We, the board, want to work with our parents and teachers for our children to make the rest of this year a success for all involved.

There are several events coming up very quickly in this month and the month of December and we would love to have every one of you involved as much as you wish to be. We know at the beginning of the year some people signed a two hour power pledge and I am sure most of you have gone above and beyond that. For that we thank you very much! You are our best supporters and we are grateful for all you do. If you are interested in helping in the upcoming events please email us at the PTO email address. If for some reason you are not getting emails from the board or your classroom teacher, please email the PTO at maxwellafbpto@yahoo.com. We will contact you as soon as possible and make sure that it is taken care of.

The PTO board will be putting out a calendar for each month with events marked for each day of that month so that you may have a daily reminder of the happenings for that month.

We look forward to a great school year!!
Your MES PTO!
