The experiences of singing, playing, listening, moving to, and creating music lead to an understanding of musical concepts.
- **Demonstrate an Understanding of Musical Concepts**
To translate or articulate the unique language of music, one should be able to use the vocabulary and notation of music.
- **Display an Awareness of the Interrelationship between Music and Society**
Music is a vital part of any society's heritage. Hearing and performing a variety of diverse music helps one to understand the role music has played and continues to play in the lives of all humans.
- **Display an Understanding and Appreciation of Music as an Art Form**
Music evokes intellectual, aesthetic, emotional, and physical response. One learns to be sensitive to the power and beauty of music alone and in its interaction with other art forms.
