

5th Grade MATH PACING CHART

MATH CONCEPTS	CHAPTERS	TIME SPAN	STANDARDS
Place Value, Whole Numbers and Decimals	Chapter 2	1st quarter	Number Sense, Problem Solving, Reasoning, Communication, Estimation, Algebra, Computation
Multiplying Whole Numbers and Decimals	Chapter 3	1 st quarter	Number Sense, Problem Solving, Reasoning, Communication, Estimation, Patterns and Computation
Data, Graphs and Facts Review	Chapter 1	2nd quarter	Number Sense, Problem Solving, Reasoning, Communication, Estimation, Algebra
Dividing Whole Numbers and Decimals	Chapter 4	2nd quarter	Number Sense, Problem Solving, Reasoning, Communication, Estimation, Patterns and Computation
2 Digit Divisors Whole Numbers and Decimals	Chapter 5	2nd quarter/3 rd quarter	Number Sense, Problem Solving, Reasoning, Communication, Estimation, Patterns and Computation
Length, Perimeter, Area and Measurement	Chapters 10 and 11	3rd quarter	Number Sense, Problem Solving, Reasoning, Communication, Estimation, Patterns, Computation, Geometry and Measurement
Geometry	Chapter 6	3rd quarter	Number Sense, Problem Solving, Reasoning, Communication, Estimation, Patterns, Computation, Geometry and Measurement
Fractions and Mixed Numbers	Chapter 7	3rd quarter/4 th quarter	Number Sense, Problem Solving and Communication
Fraction Operations	Chapter 8	4th quarter	Computation, Number Sense, Problem Solving, Communication
Fractions and Multiplication	Chapter 9	4th quarter	Computation, Number Sense, Problem Solving, Communication
Ratio, Percent and Probability	Chapter 12	4th quarter	Probability and Statistics, Reasoning
