

## THE BURROWS SCHOOL SONG

At Burrows we learn and we have so much fun,  
The best school in the world!  
We run and play and we work all day,  
The best school in the world!

Burrows bulldogs go to school.  
That is why we are so cool!  
We will follow every rule,  
The best school in the world!

At Burrows we're glad for the things we are taught,  
The best school in the world!  
Burrows is great, now give it a shot!  
The best school in the world!

Burrows is on a Marine Corps base.  
The school is such a nurturing place,  
It's an educational space,  
The best school in the world!

Sung to the tune of "Viva L'Amour"
