- One account per family is fine or each parent can create a separate account.
- One account can be used for more than one child in your family.
- **Write down your Username,** you'll need it later.

Step 6: Click on **Sign Up** in the lower left.

Step 7: In the window that appears, click on **Add a student to my account**.

Step 8: In the next window that appears, fill out all the fields and click **Submit**.

- Information that does not completely match may prevent you from signing up.
- Use proper names in the Name fields.
- The Date of Birth field must be in the format noted in the screen. MM/DD/YYYY
- The SMS Sponsor Email address is the one that we have in our school database. You can use another email address, but that may slow the approval process.

Step 9: The message to the right means we are aware of your request.

Step 10: In the next window that appears you can click on the **Add Students** button if you have more than one child at our school.

Step 11: You now need to **COME** to the **QMHS MAIN OFFICE** and **finalize the approval process by showing valid identification (Driver's License or Military ID) and completing the QMHS Gradespeed Access Approval Form. You can download this form from the QMHS Gradespeed page.**
