Payment

West Point School Lunch Program is now computerized using the “Meals Plus” meal tracking system software. Your child is issued a 3 or 4 digit PIN number and enters that number into the key pad at the cash register. His/Her purchases are entered into the system at that point. You may continue to send a check to school payable to: West Point Lunch Fund in any amount and it will be credited to your child's account. You may also pay by credit card through the website: LunchPrepay.com. There is no fee to register your child however a 5% charge will be applied if you choose to deposit money into his/her account via your credit card. You may check lunch history and request a low balance e-mail. The cafeteria no longer sends out low balance letters. Please call the program manager's office to obtain your child's 10 digit ID number. You will need this number to register on LunchPrepay.com. Remember, unless you advise otherwise, your child will be able to charge ala-carte snacks to his/her lunch account with this new computerized system. We can block the account if you let us know.

Special Dietary Needs: If your child has special dietary needs due to medical reasons, please send in a note from the doctor stating the problem and listing exactly what the child may eat or drink. If a specific brand name is required, please state the name brands in the official request.

Charging: Lunches may be charged a maximum of three times. You will be notified by note through your child (so check those back packs) when he/she has charged lunch and payment must be made the following day. If payment is not received by the 4th charge, the students will be given a PBJ Sandwich and Milk. The cost for this service is \$1.40. No charging will be permitted after April 30th, 2009. No exceptions to this written policy will be allowed. We Discourage Charging At All Times.
