SUPER GERM FIGHTER SONG

**When I wash my hands before I eat
There are no germs on me!**

**When I wash my hands after going to
the bathroom
There are no germs on me!**

**When I wash my hands after playing
with my pets
There are no germs on me!**

**When I wash my cuts and bites with
soap
There are no germs on me!**

**AND... We can protect others from our
germs**

GERM SONG

**When I cover my mouth and nose
when I sneeze
I don't share my germs with you!**

**When I don't put my mouth on the
water fountain
I don't share my germs with you!**

**When I don't share food I've eaten
from
I don't share my germs with you**

**When I don't share drinks I've been
drinking from
I don't share my germs with you**

**When I don't put my fingers in my
nose or mouth
I don't share my germs with you!**
