Dear Parents,

I will be sending home a "Fall Break Reading Form" today, along with several books for your child to read over our short break. Please take a few minutes each day to listen to your child as s/he reads one or two books to you. Also take a few minutes to review the words in the word bag each day.

To think about:

"Reading aloud with children is known to be the single most important activity for building the knowledge and skills they will eventually require for learning to read."

Please contact me if you have questions or concerns.

Thank you for all that you do.
