## Reading/Language Arts

A lesson overview will come home on Mondays for the week.

### Phonemic Awareness/Phonics/Comprehension:

Practice the skill with your child. For example if we are studying short ask your child to tell you words with the sound. Practice your comprehension skills while completing your nightly reading.

**Amazing Words:** Review amazing words and their meaning. Your child does not need to spell the amazing words.

**Grammar:** Review the grammar skill with your child.

**Spelling Words:** Our spelling words relate to the phonics skill being taught that week. Help your child learn to spell the words by remembering the phonics skill of the week.

**High Frequency Words:** PRACTICE, PRACTICE, PRACTICE....Your child will be given new high frequency words to learn each week that do not follow the phonetic rules. It is easy to fall behind if you don't learn the words weekly.
