## Reading Street

What is a community? We will be reading stories that will help us answer what is a community during our current unit of study. During the next two weeks we will look closer at how do we learn together at school and who makes our neighborhood a nice place to live.

## Science

We are starting our plant unit. Our first experiment will be to examine the inside of a seed to learn the parts of a seed. Be on the lookout for some exciting new knowledge.

## Book Fair

Our PTA will be hosting a book fair October 22 - 26. Flyers have been sent home.

## Field Trips

Last week we had two amazing field trips. We like to send a special "Thank You" to our parent volunteers for chaperoning. You helped to make our adventure even better for the kids. Our next field trip is to Landmark Park in December.

## Class Motto F.R.O.G.S

Fabulous, Respectful, Outstanding, Groovy,  
Students

## School Vision

Our goal is to prepare students intellectually, emotionally, socially, and physically to be responsible citizens in an ever-changing world.

## School Motto

Together We Can

## School Mission

We believe that children are our highest priority. We promote a cooperative partnership among students, parents, community and staff. Our missions is to build a strong foundation for lifelong learning by nurturing, guiding, and challenging all of our students to achieve their maximum potential.

## MATH Home Links

We are working on patterns at school. Help your child find patterns at home. You might examine floor tiles, curtains, and fences just to mention a few ideas. Patterns can also be found in numbers. Challenge your child to find patterns everywhere.

## High Frequency Words

PRACTICE, PRACTICE, PRACTICE....Words we have learned so far...
