Reading Street

What is a community? Since we are learning so much about a community and how people work together to make a community wonderful, we have decided to do a community project at the end of this unit. We are going to send Christmas to deployed soldiers – "Operation Celebration". More info will be coming home soon.

Science

Your child is a plant expert. They know the parts of a plant and the function it serves. They also know the life cycle of a plant.

Costume Parade

Come to school with your costume on over your clothes Wednesday, October 31. We will have our annual Costume Parade at 9 am. You are welcome to join us in the back of the school

Fall Snack

Thank you for sending in the items needed for our Fall Snack. We are going to make the caramel apples after the costume parade and eat them after our specials at 1:05 pm.

Class Motto F.R.O.G.S

Fabulous, Respectful, Outstanding, Groovy,
Students

School Vision

Our goal is to prepare students intellectually, emotionally, socially, and physically to be responsible citizens in an ever-changing world.

School Motto

Together We Can

School Mission

We believe that children are our highest priority.

We promote a cooperative partnership among students, parents, community and staff. Our mission is to build a strong foundation for lifelong learning by nurturing, guiding, and challenging all of our students to achieve their maximum potential.

MATH Home Links

We are learning to guess the rule of numbers. For example 2, 4, 6, 8 – rule is they are all even or you add two each time to get the next number. Try turning this in to a mental math game at home. We are also working with dimes now. Test your child's coin knowledge

High Frequency Words

PRACTICE, PRACTICE, PRACTICE....

The words are on the bottom of your child's homework packet each week. Practice the words so they do not fall behind.

Updates

We cannot give out student addresses for invitations. Don't forget to set your clock back on November 4th. We will be having a mock election on November 6.
