

Diamond School Song (The tune is the Army Caisson Song)

Diamond is our school, everybody knows we're cool
As the 'gators' keep rolling along
In our class or at lunch we're an awesome learning bunch
Yes the 'gators' keep rolling along.

So it's one, two, three, as we learn our ABC's
Spanish, Math and Music all day long
We won't hesitate cause we know that learning's great
Yes the 'gators' keep rolling along.
