Dear Parents,

Welcome to the 2009-2010 school year! We have had a very successful school opening and we are looking forward to a school year of excellence. Thanks to all the parents for their support as we begin another exciting year. I am writing to share with you some upcoming purposeful changes and some information about our Community Strategic Plan.

The vision for Department of Defense Education Activity (DoDEA) is to provide "Communities committed to success for all students!" To accomplish the vision, the following four goals have been established:

Goal #1

All students will meet or exceed challenging standards in academic content so that they are prepared for continuous learning;

Goal #2

DoDEA will use performance-driven management systems that operate in a timely, efficient, and equitable manner; place resource allocation and decision-making at the lowest operational level; and facilitate a safe environment conducive to optimum student achievement;

Goal #3

The DoDEA workforce will be motivated, diverse, and committed to continuous professional growth and development resulting in exemplary performance and optimum student achievement; and

Goal #4

Every level of DoDEA will develop, promote, and maintain partnerships and communications to enhance student development.

As the superintendent, I welcome you to the 2009-2010 school year. More importantly, I am thrilled to be a part of an organization that places student achievement at the center of its focus. Our teachers are ready and prepared to offer your child a high quality education in a caring environment. Please join us in our efforts to make DoDEA a world class educational system. Your involvement is critical to our success.

Also, please join us in welcoming our returning Fort Stewart School Board members - Jeffrey Robertson and Neal Titus.

Again, I look forward to working with each of you as we take on the responsibility of providing a high quality education to all students.

Sincerely,

A handwritten signature in black ink that reads "Samantha J. Ingram".
